Entered at Post Office at Hamlin, Texas,
for transmission through the mails as Second
Class matter according to an Act of Congress
on March 3, 1879.

Any erroneous reflection upon the character
of any person or firm appearing in these
columns will be correctly, gladly and promptly
settled, upon its being brought to the attention of
the management.

SHARING THE ROAD CAN SAVE TWO LIVES

"Share the road—arrive alive!" In those
words J. O. Musick, general manager of the
Texas Safety Association, urges all motorists
to support the share-the-road program of the
Texas Safety Association and the National
Safety Council. This program is a part of the
nation-wide back-the-attack-on-traffic-accident
campaign.

"To stay safe in traffic, the driver must be
keenly aware that he is not the only one on
the road," Musick said. "He's just one of
many drivers, so he must keep in step with
the others and share the road with them."

The safety expert said this involves, first of
all, a willingness to share, and then the skill
and judgment to do the right thing at the right
time.

He gave the following rules as a guide to
help them fit their driving to the pattern of
traffic around them:

1. Keep alert. Develop defensive driving.
Study the road ahead for accident situations.
The higher the speed, the farther ahead your
attention must be fixed.

2. Think ahead. Plan emergency measures.
Know your own and your car's capabilities. If
the car ahead should suddenly block your

How to Educate Yourself

Conscious of their lack of training, some
people bemoan the lost days and sink into a
state of semi-ignorance, making no effort to
become better informed. We would call their
attention to the fact that there are only two
requisites to a good education—reading and
thinking.

There is no person in the Hamlin territory,
of any age, who cannot become well informed
in a year or two by intelligent reading supple-
mented by a little thinking. Stop the habit
of taking your opinions from anybody and
begin trying to study some problems for the
purpose of making up your own mind.

To the individual who does not know where
to start, we would suggest beginning on a sub-
ject in which you are interested. If it is a
technical subject that entrances your imagination,
ask advice from some person who knows
something about it. Buy a book on the sub-
ject and, even if it takes six months, read it
until you understand it.

There is really little excuse for a man or
woman going into old age without making
the effort to become more intelligent. Even
if you have only a half-hour a day, take ad-
vantage of it and begin to acquire new infor-
mation. Never mind about the better educa-
tion; make it your business to improve your-
self.

We know many excellent individuals who
have failed to take advantage of their own
leisure time to read and learn, but who con-
stantly lament that they are not "educated."
The matter of becoming well informed does
not hinge upon a college degree; it is a matter
of reading and thinking. This is a question
of decision and determination.

Virtues That Made America

The nation is observing the one hundredth
anniversary of the birth of Theodore Roosevelt.

Something he wrote has not lost significance
with the passage of the years: "Americanism
means the virtues of courage, honor, justice,
truth, sincerity and hardihood—the virtues
that made America. The things that will de-
stroy America are prosperity at any price,
peace at any price, safety first instead of duty
first, the love of soft living and the get-rich-
quick theory of life."

There is in friendship something of all re-
lations and something above them all. It is
the golden thread that ties the heart of all
—John Evelyn.

RECALLING
Other Years

Being news items taken
from old files of Your
Home Town Newspaper,
The Herald.

THIRTY YEARS AGO.

In scanning the files of Your
Home Town Paper, we find the
following news briefs, taken from
the issue of The Hamlin Herald
dated September 14, 1938:

Mrs. Curley Beauchamp, who
has been slowly recovering from
wounds sustained by pistol shot
some weeks ago, was able to re-
turn from the Stamford Sanita-
rium Wednesday. She is thought
to be out of danger now.

Robert E. Rankin of Denver,
Colorado, and John J. Rankin of
Munday have leased the service
station north of the Herald office
and are naming it the R. B. Service
Station. John Rankin formerly
lived at Hamlin and operated
the Boyd station.

Robert E. Rankin of Denver,
Colorado, and John J. Rankin of
Munday have leased the service
station north of the Herald office
and are naming it the R. B. Service
Station. John Rankin formerly
lived at Hamlin and operated
the Boyd station.

The building boom continues in
Hamlin. More than a dozen new
homes are now underway in the
city as well as several new busi-
ness houses.

About 650 students were en-
rolled Monday in the first day
of school, reports Superintendent
C. G. Green, and the school build-
ings are taxed to capacity, he de-
clares.

Milton Wilson left Tuesday for
Stephenville, where he will enter
John Tarleton Agricultural Col-
lege.

TWENTY YEARS AGO.

From the files of The Hamlin
Herald dated September 9, 1938,
the following news briefs of 20
years ago are reproduced:

Rev. P. D. (Dick) O'Brien of
the First Baptist Church of Stamford,
and Joe Trussell, evangelistic
singer of Houston, are leading in
a revival meeting at the First
Baptist Church.

The community baseball season
was ended last Friday when the
team from McCaulley was declar-
ed the winner. Teams from Mc-
Caulley, Hitson, Royston and Wise
Chapel were entered in the sum-
mer program sponsored by the
Hamlin Chamber of Commerce.

Mr. and Mrs. H. A. Stacey Mon-
day celebrated their golden wed-
ding anniversary by having most
of their children and grandchil-
dren at home with them.

Mrs. Joe Dillingham returned
last Friday from a trip to Cali-
fornia. While there she visited
her daughter, Mrs. Don Hymer,
and Mr. and Mrs. John Dillingham
at Shafter, California, and a niece,
Mrs. Albert Williams at Spreck-
els, California.

TEN YEARS AGO.

Events in the Hamlin commu-
nity 10 years ago included the
following, reprinted from the issue of
The Hamlin Herald dated Sep-
tember 10, 1948:

Rainfall for the month of Aug-
ust was less than an inch, accord-
ing to Bill Rountree, government
gauger at the city pump station.

A meeting of all citizens inter-
ested in better rural roads for
Jones County will be held Monday
evening at Anson, according to
J. S. Inzer of Hamlin, chairman of
the recently organized Texas
Rural Roads Association for the
county.

Dave Hudson of Weatherford,
district governor of Lions District
2-E, was guest speaker at the
Tuesday noon meeting of Hamlin
Lions Club.

Enrollment of 810 students for
the first week of school in the
Hamlin Schools was reported this
week by Superintendent of Schools
I. R. Hutchison. Further sign-
ups are expected.

FIVE YEARS AGO.

Goings-on in the Hamlin com-
munity are reflected in the follow-
ing news briefs, taken from issue
of The Hamlin Herald dated Sep-
tember 11, 1953:

No cause for unusual alarm
over prospects of a typhoid fever
epidemic at Hamlin is now pre-
vented according to local doctors
after a scare last week. More
than 1,500 people, principally chil-
dren, have recently been vacci-
nated.

Farmers of the territory are
winning against cotton insects by
their concerted poisoning cam-
paign, declares the county agent.

First bale of 1953 cotton was
brought to town Thursday by
Hollis W. Madden, who farms four
miles south of town.

ONE YEAR AGO.

News bits from The Hamlin
Herald dated September 12, 1957,
include the following:

Tabulations show a gain of 27
students over the previous year
has been recorded by the Hamlin
schools. Stamford and Anson, The
Herald understands, both regis-
tered declines.

County Commissioners Court,
reversing its previous action, re-
hired the government trapper on
part time Monday.

General Business Course Again Added
To Curriculum at Hamlin High School

General business is being offered
in Hamlin High School this
year as an added course, accord-
ing to Dora Mitchell, instructor
of commercial courses. It is a
course that has been taught here
before but it had been dropped
from the curriculum for several
years.

General business is a ninth or
tenth grade course in introduction
to business. It is a program of
study for all students—not just
those who are specializing in busi-
ness. The program of study is
intended to provide opportunities
for young people to develop those
business skills, attitudes, apprecia-
tions and understandings that
they need and use in their every-
day living. The study deals with
an important and necessary part
of the education of all youths.

Principal aims to be achieved
through a study of this type are
to help young people to:

1. Become informed about what
business is and how it affects
their everyday living.
2. Learn how to be wise con-
sumers of goods and services.
3. Have experiences that will
aid them in becoming effective
and useful citizens.
4. Develop characteristics, hab-
its and practices that will make
them effective and forceful work-
ers.
5. Think about the future, and
to select tentatively an occupa-
tional area for further study and
experience.
6. Obtain a better understand-
ing of the American business so-
ciety.
7. Obtain a sound background
for the continued study of busi-
ness.

This program of study will be
based on these principles:

1. Pupils learn best from ex-
perience, not from memorizing.
2. Pupils learn best when they
share in planning their study ac-
tivities.
3. Pupils learn best when they
are interested in what they are
doing.
4. Pupils learn effectively ob-
serving, reading with a definite
purpose in mind, asking questions,
and work experience.
5. The most effective and most
interesting learning activities are
those that emphasize problem
solving, laboratory procedures and
variety, and visual and dramatic
techniques.

Pupils taking general business
are Lloyd Boren, Jimmy Spalding,
Santana Contreras, Kenneth Wig-
ington, David Karnes, Tommy
Boren, Bobby McCurdy, Pinky
Sellers, Ned Moore, Larry Upshaw,
Jerry Legan, Billy Goodman,
Dwayne Wheat, Larry Wade, Bill
Richey, Jerry Warnell, Rayford
Williams, Bob Johnson, Jimmy
Shivers, Mike Bond, Gary Cooper,
Cliff Drummond, Robert Brandon,
Richard Trotter, David Strothe
and Jack Haught.

Star-Telegram Offers
Temporary Bargain

Definite prediction of a raise in
the bargain days rate on The Fort
Worth Star-Telegram subscrip-
tions within the next 30 days was
announced by that daily in a
release this week to The Herald,
which handles mail subscriptions.

However, until October 1 only
The Herald is permitted to take
new and renewal subscriptions at
the old bargain rate of \$13.95 for
seven days and \$12.60 for six days.

In combination with The Herald
subscriptions will be further re-
duced to \$15.95 for seven days and
The Herald and \$14.60 for six
days and The Herald.

These rates are good until Octo-
ber 1 only, so we urge you to send
or bring in your sub now.

Love is blind; friendship tries
not to notice.—Otto Eduard Bis-
marck.

Area Soils Need
Balanced Diet for
Crop Production

Soil of farms and ranches in
the area of the California Creek
Soil Conservation District forms a
manufacturing system which
man cannot duplicate. The way
the soil is used affects the lives
of all the people, states E. L.
Cowger, soil conservationist assist-
ing the district.

It seems that plants, like hu-
mans, require a balanced diet to
produce efficiently. These plants,
like cotton, wheat, maize and the
grasses, secure their food from the
soil through thousands of
small, tender roots. The soil, to
properly feed these plants, must
be fertile with plant foods, must
have good structure that the roots
may grow freely, and that water
and air may move freely.

Crop residues of high forage
producing crops such as maize,
wheat and the grasses, when left
on or near the surface, bear the
force of falling rain and reduce
soil packing. As these plants die
the decaying remains cause the
soil to absorb more water, im-
prove soil structure and increase
soil fertility, Cowger points out.

Land in the soil bank provides
an excellent opportunity for
growing soil improving crops.

Farmers, while keeping a bal-
ance of plant food in the soil,
will develop a balanced farm pro-
gram of cash crops, grass and for-
crop.

HOW MANY
HORSES
IN YOUR
HOME?

...in terms of the amount of work you give electricity
to do, perhaps 5 or 6. The electricity on average
American family uses actually equals the work of a
half dozen powerful horses.

Hard to believe? Stop for a minute and think of
all the ways you put electricity to work—and how
often. Cooling, heating, cooking, cleaning, lighting,
even entertainment.

Yet how little all this electricity costs! Nothing else
your family buys adds up to such a value.

West Texas Utilities

Company

Electricity costs so little—
you can afford to use more of it!

Several Changes Made in Rules for County Club Show

Several rule changes have been announced by directors of the 1958 Jones County Club Boys' Livestock Show, to be held in February at Stamford. The new rules follow:

1. All dry lot and milk fed calves will show in the same class. You may feed any way you desire—there will be no distinction in classes of milk fed or dry lot steers.

2. A new class called "commercial steers" has been set up for the new show. These will be separate and apart from the other classes of calves. In this class you may purchase from one to three steers, any weight, put them on wheat for a month or so and then finish them on a commercial grain ration. You must purchase these calves between August 10 and October 1, 1958. You will be required to weigh calves when purchased and when finished and show on an exhibit card their weights, rate of gain, etc. Award money to be given on grade only. If you show a pen of three commercial calves, only one of these may be a heifer.

3. In the pen of three fat hogs only one gilt may be exhibited.

4. A weight limit between 160 and 250 pounds has been established for fat barrows.

5. Capons cannot be over 15 months old and must weigh a minimum of six pounds before they are eligible for the show.

Rubber bands at The Herald.

THE BROZOS RIVER AUTHORITY formally takes possession of its new six-acre building site at the fair grounds in Waco as J. H. Kultgen, the president, turns over a check for \$20,000 to Mayor Joe Ward. The BRA bought the land from the city, and hopes to start work on its new headquarters by the first of 1959. The Hamlin territory is interested in the work of the BRA inasmuch as its conservation work affects the Double Mountain Fork of the Brazos River, north and northwest of this Jones County metropolis.

ASK A SILLY QUESTION.

A sportsman stopped one of the natives.

"Tell me," he said, "do you think it would be worth my while to try fishing around here?"

"Don't know," was the answer. "The fishing here ain't so good, but of course I don't know how you value your time."

Sophomores of HHS Elect Class Officers At Wednesday Meet

Members of the sophomore class of Hamlin High School met last Wednesday in the high school library for the purpose of electing class officers.

President for 1957-58, Ned Moore, took charge of the meeting until the new president, Bob Murff, was elected. Other officers for the year are: Cecil Sellers, vice president; Clyde Hodnett, secretary; Larry Upshaw, treasurer; and Georganna Fitzgerald, reporter.

For their favorite girl and boy the class selected Darla Harkey and David Bonds. Ladies-in-waiting for the annual Pied Piper Carnival, to be held later in the year, were Sharon Wyatt and Jennie Law, and the carnival queen nominee was Nina Jean. Student selected to represent the class on the Student Council was Mike Bond.

Class sponsors are Coach Jimmy Vaughn and Coach D. C. Andrews. Class mothers are Mrs. L. C. Bonds, Mrs. Joe Hudspeth and Mrs. J. L. Fitzgerald. The class colors are black and blue, and the flower is the bluebonnet.

The sophomore class would like to extend a special welcome to two new members, La Nell Crox from Abilene and David Bellamy from Quanah.

Ulcers are caused not so much by what you eat as what's eating you.

NEGRO HELD

(concluded from page one)

Sweetwater was unable to identify the man, she said she noticed that he limped.

Sheriff Lambert said he and other officers found "peculiar" footprints near the home and followed them across pastures and down a railroad track for 15 miles. He said the footprints looked like a "one-legged man" had made them, or somebody that was limping badly, because only the ball of one foot showed on the ground.

Shelton, although he declined to take the stand at the examining trial, told officers earlier he walked with a limp because one tendon in his foot had been shot while he was in California. He also told them earlier that he had been near the house on the night of the alleged offense.

Deputy Sheriff Ernest Eldson testified he aided in the investigation and that he had found some orange juice cartons and other groceries answering the description of some taken from the house, hidden near the railroad tracks. The "peculiar" tracks did not go up to that place, he added, but they were nearby.

The woman, a long time resident of the area, told this story when put on the stand:

She had been alone in the darkened room watching TV. Her daughter and the daughter's husband were away for a short while and the front door was unlocked.

A prowler—a dark, high cheek-boned man with a long forehead—slipped up behind her and clapped a bedspread over her head. He then tied her arms behind her with a large cord and put her on a bed in the bedroom.

Following this the man went through some dresser drawers and then raided the refrigerator. While he was doing this, the woman got loose and ran out of the house toward a neighbor's home. However, the prowler heard her and gave chase. He twisted the woman's arm behind her back and forced her into the house again where he laid her on a different bed. At this point she noticed the man had difficulty climbing up on the porch—indicating that he had a bad limp.

After assaulting her, the man left and the woman locked all doors and windows in the house.

The prowler then cut a screen and came in through a window. He tied her to a bedpost and again left.

Presently the daughter and son-in-law came home and the sheriff was phoned.

MAKING THE GRADE.

The lazy student was complaining to his instructor.

"I don't think, sir," he said, "that I deserve an absolute zero."

"Neither do I," replied the teacher, "but, after all, it's the lowest grade I'm permitted to give."

Celotex Reports Upped Sales and Earnings for Year

Increased sales and earnings in the third quarter improved the nine-month report of the Celotex Corporation, Henry W. Collins, president, said this week in a release to The Herald. He pointed out that improved business in the third quarter brought that period's earnings to \$1.03 a share as against \$1.01 in the like three months last year.

Sales in the nine months ended July 31, including those of the Hamlin plant, were \$47,308,806, compared with \$49,089,233 in the corresponding period last year. Net earnings were \$1,506,599 after all charges and income tax provisions, equal after preferred dividends requirements to \$1.27 a share on 1,028,651 shares of common stock currently outstanding. Earnings in the like period last year, including \$395,733 net profit on the sale of investments, were \$2,693,431, equal to \$2.43 a share on present shares or \$2.84 on the \$78,651 shares then outstanding.

Sales in the third quarter were \$18,889,559 as against \$18,322,406 in the same period last year, and after-tax earnings were \$1,124,229 as against \$1,097,784.

No matter how poor a man is at mathematics, he knows that 36, 25 and 36 add up to a nice figure.

Entertainment to Be Features of Program At State Fair of Texas

Brightest spotlight of the 1958 State Fair of Texas, October 4-19, will be on entertainment. More big shows, more big name stars have been booked than ever before.

And a great many of the shows will be absolutely free. Tickets are now on sale for the fair's paid attractions.

Included in the array of entertainment features are "The Music Man," "Ice Capades," Tennessee Ernie Ford Show, Eydie Gorme, Steve Lawrence Show, for which admissions will be charged. Free shows on the "State Fair Shower of Stars" include Tito Guitar, Meredith Wilson and the Music Festival, "Sky King and Penny," Laverne Baker and Buddy Johnson's band, Magnolia Midway Shows, daredevil aerialist Albanis Troupe and Skymasters.

Mr. and Mrs. Bowen Pope Celebrate Golden Anniversary with Open House

Scores of friends and relatives called at the home of Mr. and Mrs. Bowen Pope, 148 Northwest Avenue B, as they observed their fiftieth wedding anniversary Sunday afternoon with open house, hosted by their daughters and sons-in-law, Mr. and Mrs. Richard Hinkle of Midland and Mr. and Mrs. George Kinney of Stamford. The couple was married September 4, 1908, in Tullia at the home of her parents, the late Mr. and Mrs. J. J. Sigler. Mrs. Pope, the former Lessie Sigler, was born in Putnam, Callahan County. She attended Simmons College at Abilene.

The couple was married September 4, 1908, in Tullia at the home of her parents, the late Mr. and Mrs. J. J. Sigler. Mrs. Pope, the former Lessie Sigler, was born in Putnam, Callahan County. She attended Simmons College at Abilene.

As editor of a home town newspaper, Pope was close to his community and alert to its needs to become a better place to live. For years he advocated the need for a good hospital through his newspaper columns and other community activities. As World War II drew to a close, newspaper operations became more difficult due to scarcity of labor and materials, so Pope decided to sell The Herald and devote his full time to realization of this long cherished hospital dream.

In November, 1945, Pope retired from the publishing field and began to draw up plans and charter and to set in motion a hospital organization of Hamlin people. After three years' free service to the community and tireless efforts, he saw the completion of the hospital project when Hamlin Memorial Hospital was formally opened to the public on February 15, 1948—a living memorial to the young men and women who had died for their country in two world wars. The hospital, which is owned and controlled by members of the organization, has since had two additions to the building and much equipment added, and has an efficient staff of doctors, nurses and technicians. This, Pope says, is his proudest civic achievement.

Pope became superintendent of schools at Pampa in 1911, and later held the same position in the Chillicothe schools for two years. It was in Chillicothe that he became interested in newspaper work and decided to leave the teaching field.

In 1914 Mr. and Mrs. Pope moved to Hamlin, where he became owner and publisher of The Hamlin Herald. Mrs. Pope continued teaching for several years. Pope was member of the Texas Press Association and helped organize the West Texas Press Association. He served as the second secretary and later as president of the West Texas organization.

In 1924 Pope was elected state representative for Jones and Shackelford Counties, and served three terms in the Texas Legislature from 1925 through 1930. It

FIFTY YEARS OF MARRIAGE were celebrated Sunday by Mr. and Mrs. Bowen Pope (above), when open house for friends and relatives was hosted at the Pope home in Northwest Hamlin by their two daughters and their husbands.

Parents Can Do Much to Mold Child's Traffic Safety Habits, Expert States

"A child's traffic safety habits, more often than not, reflect the examples that have been set by his parents."

J. O. Musick, general manager of the Texas Safety Association, made this statement today in appealing to motorists for cooperation in TSA's current back-to-school traffic safety program.

"Good traffic habits and attitudes of parents will do a lot to keep children safe in traffic," he said. "Also important is the extent to which parents try to teach children safe traffic practices."

Musick said that instruction in traffic safety is a fairly simple matter for parents—the important thing being to do it consistently. He then listed five of the most important rules to teach as children safe traffic practices."

1. Teach children, largely by example, that it is always best to cross streets at intersections only, waiting for the proper signal and looking in both directions before leaving the curb.

2. Support what the child's school is teaching about safety, and cooperate with teachers, officials and safety patrol boys by helping your child develop a healthy attitude toward safety-mindedness.

Whynama Hayes and Billy Don Rose Wed

Whynama Hayes, daughter of Mr. and Mrs. Albert Hayes, and Billy Don Rose, son of Mr. and Mrs. J. A. Rose of east of the city, were united in marriage Saturday morning at Anson. Justice of the Peace Joe Mathis performed the ceremony.

The bride was dressed in a two-piece white orlon knit suit with blue accessories. Only relatives of the couple attended the rituals.

Following a brief wedding trip to Dallas, the newlyweds will make their home in Lubbock at 2218 Fifteenth Street. Both the young people will enter Texas Technological College next week.

en, Colorado, and Ann Hinkle of Midland.

For the anniversary celebration the wife satin covered tea table carried all appointments in gold. Featured was a three-tier wedding cake topped with golden bells. The flowers were imported pale pink antherium blossoms arranged with golden grapes and foliage.

Hand-made golden mints shaped as wedding rings and wedding slippers, tiny fancy sandwiches and individual iced wedding cake squares were served with punch.

Tall golden candelabra on the buffet were entwined with pale pink rosebuds and golden foliage.

Gold and white chrysanthemums were used in arrangements on the mantels and at other vantage points in the home.

Serving in the house party were Mrs. Tate May, Mrs. C. C. Prater, Eleanor Temple, Mrs. James Fitzgerald, Lennie Greenway, Mrs. S. C. Ferguson Sr., Mrs. Vera Nobles, Mrs. Kenneth Scott, Mrs. Buren Carlton, Mrs. J. H. Kinney of Stamford and Ann Hinkle of Midland.

Rotary Club Has Served Community

Hamlin's original civic club, the Hamlin Rotary Club has for more than 30 years been one of the community's biggest civic assets.

It would be difficult to estimate all the good that Rotary has done for the community. It has cooperated financially and through devoted service in all sorts of campaigns and drives, sponsorships and leaderships to attain a record of community service truly representative of its motto, "Service Above Self."

Through its promotion of better principles of business it has influenced for good the relationships of citizen for citizen.

Today, after more than 30 years of service, it still is a strong influence for good.

Prescription for Pleasure

The telephone by your side can be pretty good medicine—all by itself.

It's one of the best cures for loneliness. I'm thinking especially, of those long distance calls to talk to loved ones and old friends away from home.

And how about those easy-going conversations women enjoy during the day? When you're tired of looking at the ironing board, or when the mop starts to get a little heavy, a short "telephone break"—just a few minutes chat with a friend or neighbor—really bring you back smiling.

Your telephone is more than just a convenience. There's plenty of pleasure and relaxation built into it, too. So use it as often as the mood strikes you. That's what it's there for.

Up-to-Date Idea About Telephones

Where is the telephone in your home? Is it where you can always reach it easily when it rings—or when you want to make a call?

Or is it in a central hall or in the middle of the house not really close to any place where members of your family are when they want to use it?

Families with modern telephone service like to have phones in color in the kitchen, living room and bedrooms.

With your home equipped with handy extension telephones, you can "reach" rather than "run" for the phone.

Why not order more telephones for your home today?

You'll find the cost of extensions will add very little to what you now pay, but will add a great deal to your comfort and convenience.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Imagine Being Happy During CHANGE-OF-LIFE!

Thousands of women now go "smiling through the change years"—without painful suffering from "hot flashes."

Countless women have found you no longer have to feel sickly, "old" before your time. Today, many can enjoy change-of-life—without terrible suffering.

Pinkham's Tablets have been developed especially to relieve the functionally-caused "female miseries." Their unique formula includes blood building iron! With Pinkham's Tablets,

Business and Professional Women's Club Starts Year with Dinner Program

Aspermont Luncheon Opens Club Year for Beta Theta Chapter

Members of the Beta Theta chapter of Beta Sigma Phi sorority opened their fall season Saturday afternoon with a luncheon at the Hickman Cafe in Aspermont.

Tables were decorated with a yellow and blue centerpiece of gladiolas and chrysanthemums which carried out the color theme of Beta Sigma Phi.

After the luncheon a short program was given by Mrs. L. C. Bonds and Mrs. Edgar Boaz. Mrs. Duane Stallecup, chapter vice president, presided over the business session and led the members in a pledge of dedication. Mrs. Edgar Boaz then presented the members with their program books, and a schedule of programs for the coming year.

Attending the luncheon were Mmes. Duane Stallecup, H. L. McHaffey, Max Murrell, R. L. McClung, Neil Laminack, L. C. Bonds, Bill Foster, Edgar Boaz, D. C. Andrews and Wilson Brannon.

The members voted to change their meetings from Tuesdays to the first and third Wednesdays of each month. The next meeting will be held September 17 in the home of Mrs. Edgar Boaz.

Ralph Bailey Weds Odessa Girl Recently

Ralph Blaley, son of Mr. and Mrs. Clarence Bailey of Hamlin, was married August 27 to Myrna Cook of Odessa, daughter of Mr. and Mrs. Duke Cook. The rites were repeated in the home of the bride's parents in Odessa, with a Methodist minister reading the ceremony.

Only close friends and relatives of the wedding principals attended the rituals.

Ralph is with a construction company in Odessa. After a brief wedding trip to points in Oklahoma, the newlyweds are now at home in Odessa.

Several Will Attend District B&PW Meet

Several members of the Hamlin Business and Professional Women's Club are scheduled to attend a district B&PW meeting Saturday and Sunday at San Angelo.

Lennie Greenway will conduct a workshop on finance at the session. Mrs. Evie Wilson will offer the invocation at one of the district sessions.

Members of the Hamlin Business and Professional Women's Club met in the first meeting of the new club year for a dinner and program Tuesday evening at the Primary School cafeteria.

Table decorations carried out

a Labor Day theme with place-

settings of woven dish cloths. The

tables were decorated with spoons,

knives, sieves, strainers, potato

mashers, rakes, hoes and shovels.

Mildred Howard, the president,

presided. Mrs. A. A. Hackley

offered the invocation.

Guests were Vera Culbertson

and Mrs. Pat Harrison.

Three new members were recog-

nized—Rosalie Scott, Ethel

Wainscott and Orla Jones. Two

other new members were not pres-

ent—Mrs. Margaret Norton and

Adele Dixon.

Mrs. Alpha Bailey, chairman of

the hospitality committee, directed

the program. Other members of

this committee are Mmes. Mil-

dred Howard, Jewel Hargrove and

Ruby McMahon.

Special guests on the program

were presented by Alpha Bailey.

Rev. Gene Moore, new pastor

of the Faith Methodist Church,

and wife, sang three songs, "I

Walked Today with Jesus," "We

Belong to a Mutual Admiration

Society" and "Bless This House."

Mrs. Joncie McCrary accompanied

the singers.

Mrs. James Fitzgerald present-

ed four readings, "Humoresque,"

"Penrod's Letter," "Man Buying

a Radio" and "Department Store

Romance, Seven Floors."

Nine Women Passed By State Nurse Board

Nine women have completed a year's course in vocational nurse training at the Hamlin Memorial Hospital, announces Mrs. Elizabeth Kraft, superintendent of nurses. The group have all been passed by the state board of examiners and have been given licenses as licensed vocational nurses.

In the group licensed were

Mmes. Cecil Brown, Viola Brown,

Lola Jenkins, Dosie McCain, Ber-

nice Nunley, Ruby Perryman,

Chris Wilcox and Earlene Wil-

liams.

Mrs. Kraft, who organized and

conducted the vocational nurses'

school, expressed thanks to all who

helped in any way to make the

first school a success.

BOB AND PAT DUNNING'S DREAM CAR COMES TRUE IN PLYMOUTH'S END-OF-MODEL CLEARANCE SALE

Canny young local couple takes advantage of year's lowest prices

Bob and Pat Dunning had put off buying a car. Budget. Wanted to see what would happen.

Last week as Bob, a commercial artist, was driving to work he noted a sign in a Plymouth dealership reading, "End-of-Model Clearance Sale. Lowest Prices of the Year." "Just," as he says, "for the fun of it," he stopped his car and went in. Chatted with a Plymouth salesman. Couldn't believe his ears.

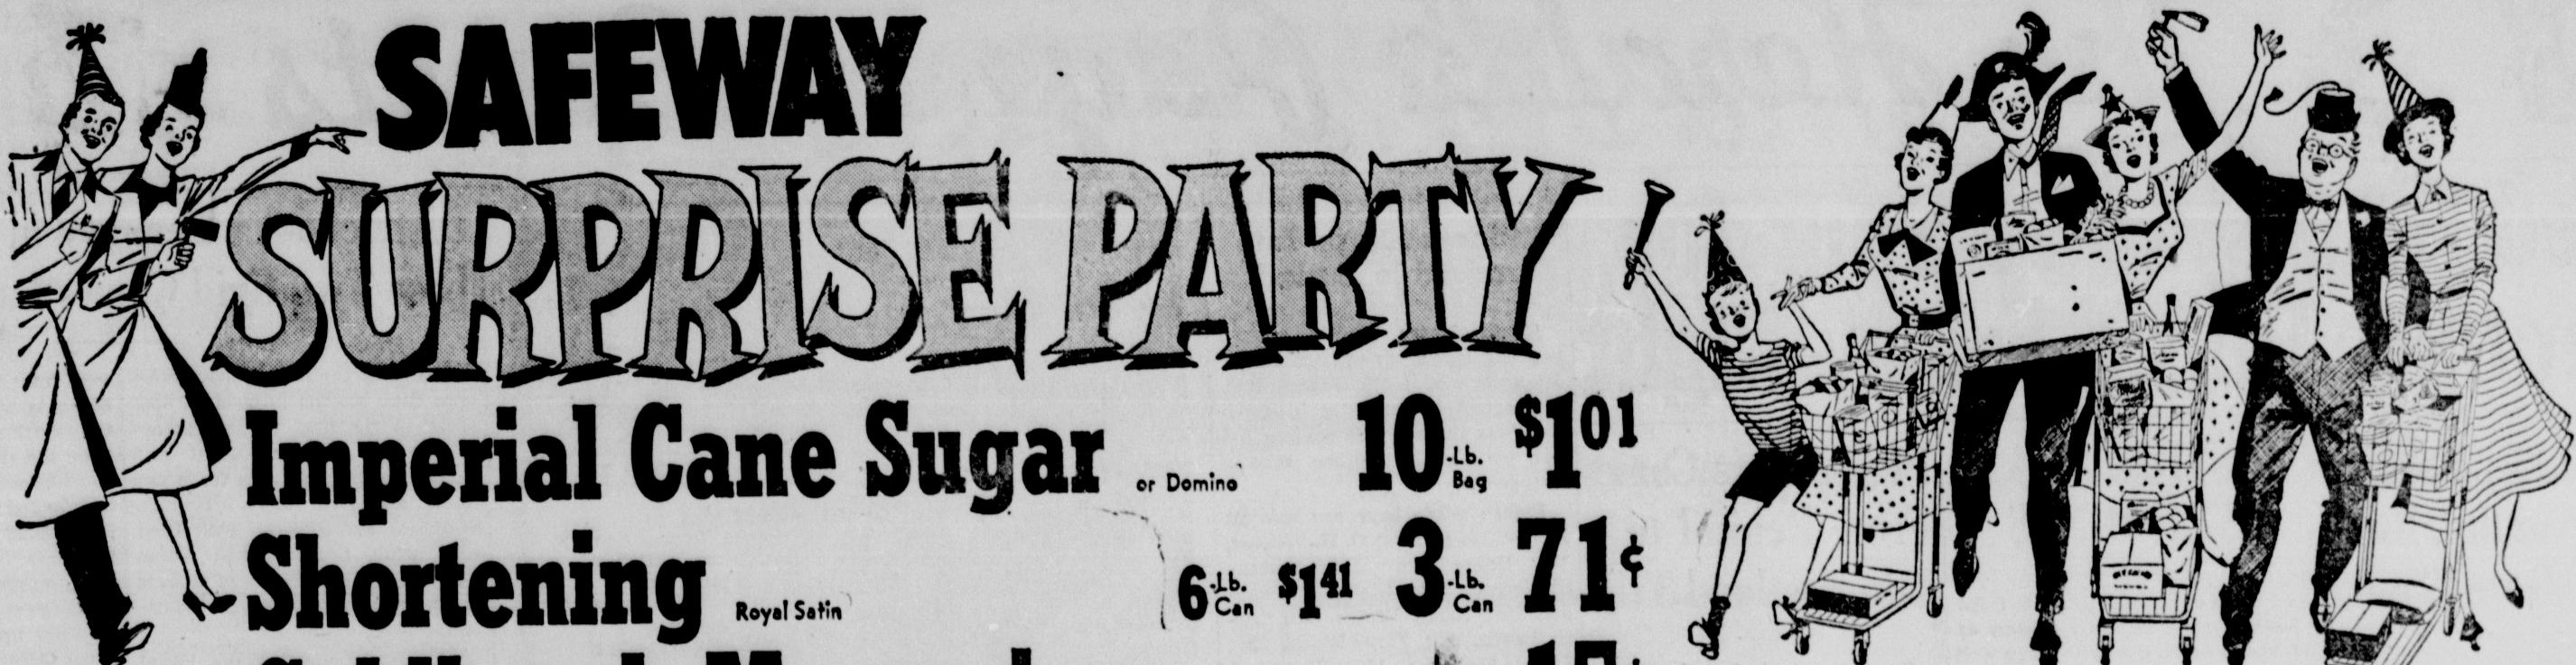

Bob and Pat own their new Plymouth

Pied Pipers Go to Spur for Second Tussle Friday Night

Bulldogs Lost to Abernathy, But Still Rated Tough

With one victory under their belts—although it was a scaly one that came only after the Hamlin boys came from behind Friday night at Eastland—the Pied Pipers go to Spur tomorrow (Friday) night for a tough encounter that will test every man on the squad, declares Head Coach D. C. Andrews this week.

Playing with a light but effective group of boys, the Pied Pipers will face a heavier, more experienced group in the Bulldogs.

Although the Bulldogs last Friday night lost a 20 to 8 decision to the Abernathy crew, the Spur boys are rated stronger than the locals. Abernathy has been rated No. 10 in the state in Class AA football this year, so the loss by Spur was not unexpected.

Coach Andrews says his boys are in good shape generally for the second fray, which will be played on the Spur gridiron beginning at 8:00 o'clock.

Expected to be in the starting line-up will be: Charlie Green and Tobe Shields, ends; Roy Williams and Tommy Bonds, tackles; Steve Carmichael and Bob Martin, guards; Durwood Boyd, center; Ken Prewit, fullback; Gene Murff, quarterback; and John Richey and Ed Shields, halfbacks.

A big delegation of fans is expected to make the trip to Spur, including the Pied Piper Band and the Girls' Pep Squad.

DISTRICT 6-AA STANDINGS

Teams of the new District 6-AA football loop, formerly known as District 4-AA, did only fairly well in the opening games of the 1958 football season, winning three and losing two of the curtain raisers. The first season standing is given below:

SEASON STANDINGS.

Teams	P.	W.	L.	Pct.
Stamford	1	1	0	1.000
Hamlin	1	1	0	1.000
Haskell	1	1	0	1.000
Anson	1	0	1	.000
Seymour	1	0	1	.000

RESULTS LAST WEEK.

Stamford 32, Quanah 14. Crowell 20, Seymour 18. Haskell 21, Jacksboro 0. Coleman 24, Anson 12. Hamlin 20, Eastland 14.

Where They Play.

Anson at Winters. Hamlin at Spur. Haskell at Olney. Munday at Seymour. Ballinger at Stamford.

Humble Again Will Broadcast Southwest Conference Games

This year Humble Oil & Refining Company will celebrate its twenty-fifth year as a sponsor of football broadcasts featuring the teams of the Southwest Conference. And to celebrate this silver anniversary, Humble will bring football fans one of the most comprehensive schedules of radio and television coverage the company has undertaken to date.

Some 70 games will be beamed out over 130 Texas and New Mexico radio stations. Four Southwest Conference contests will be televised, and viewers will also be able to see a 45-minute videotaped version of the week's top game each Sunday afternoon on the new "Game of the Week" TV program.

That schedule contrasts sharply with the program in 1934 when three Rice Institute games were broadcast as a public service.

Pied Pipers Come From Behind to Win Eastland Tilt

Coach D. C. Andrews' Hamlin High School Pied Pipers slipped by Eastland Friday night 20 to 14 to take a thrill-packed tilt from the Mavericks on their home grid. The Pipers were trailing twice during the game, and held a tie for a while before salting away the game on the first play of the fourth quarter.

An intercepted Pied Piper pass

gave the Mavericks their first

touchdown set-up in the first

quarter. Quarterback Clint Humphreys took the interception and raced 32 yards for pay dirt. Halfback Larry Hollis ran over the

extra points, giving the Mavericks

an 8 to 0 lead.

After a scoreless second period, Hamlin came back to count when Fullback Ken Prewit went over on a 25-yard run after Eastland had fumbled the kick-off. Hamlin's try for two points failed.

Eastland added another six points on a short pass from Hollis to End Philip Lewis. The extra point bagged down.

Climaxing a 60-yard drive, the Pied Pipers evened things up when Prewit went over on a 12-yard dive. Halfback Ed Shields added the extra points to make it 14-all.

Late in the third period Hamlin pushed the ball into scoring position and on the first play of the last quarter Prewit broke loose and ran 47 yards for the six-pointer that salted things away for the Pied Pipers.

Eastland held the edge in first downs for the game, making 12 to nine for Hamlin. But the Pied Pipers made 205 yards on rushing to 173 for the Mavericks.

The Andrews boys completed four of 11 pass tries for 76 yards and had two intercepted. The Mavericks completed two of nine aerials for 28 yards and had none intercepted.

That schedule contrasts sharply with the program in 1934 when three Rice Institute games were broadcast as a public service.

When success turns a fellow's head, it usually wrings his neck.

Hamlin Junior High Grididers Shape Into Formidable Squad

Coach Harry Martin started working last week with 25 Junior High School football prospects. The squad is generally inexperienced as the seventh graders did not play against other schools last year.

Eighth grade boys are Everett Money, 126 pounds; O. H. Weaver, 174; Barry Moore, 125; Tommy Shelburne, 132; Stanley Alexander, 146; Randy Brown, 129; Curtis Payne, 152; Floyd Woolf, 125; Larry Stephens, 117; Raymond Renfro, 100; Jimmy Haught, 100; Mike Martin, 90; Bobby Jones, 108; Danny Niedecken, 92; James Boiles, 90; Larry Blackwell, 115; Clyde Chandler, 112; Terry Jordan, 106; Roy Kelley, 95; Sperland Stone, 92; Anthony Woolf, 98; Mark Smith, 98; Dan Newberry, 108; Van Newberry, 107; and Andy French, 98.

Divide Grididers Beat McCaulley by 31 to 7

McCauley High School Eagles lost their first football game of the season Friday night when they went down before a strong crew of six-manners at Divide by a score of 31 to 7. It was the first District 9-B tilt for both teams.

Ray Owens led the scoring spree of the Divide grididers with four touchdowns and Arvel Rotan added the fifth tally.

Jerry Jeffries tallied the lone Eagle score in the final quarter on a 15-yard run. Jeffries also sparked the Eagles on defense, while Bob Petty was outstanding for the winners.

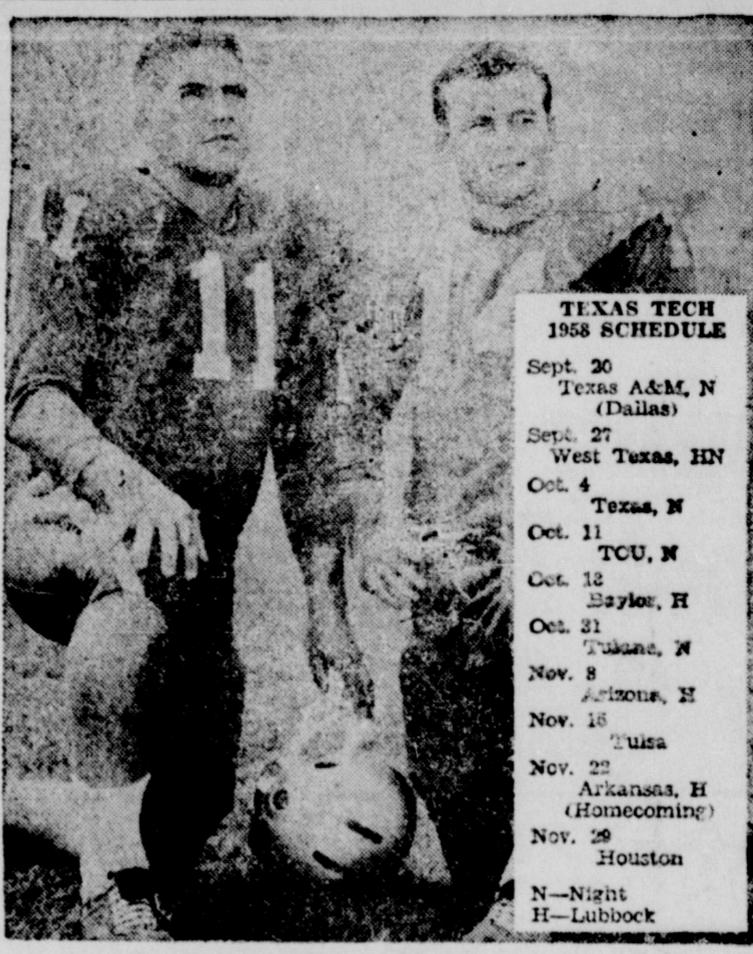

Junior High Grididers Play Albany Tuesday

Hamlin Junior High School's Mighty Mice will get their football season off to a fast start Tuesday evening at 7:30 when they go to Albany for their curtain raiser game with the Juniors.

Coach Harry Martin declares that he will present a formidable crew. Although inexperienced in actual play, they will have hustle and fight, he says. A good sized delegation of Hamlin fans is expected to follow the Mighty Mice to Albany.

Hamlin Junior High School's Mighty Mice will get their football season off to a fast start Tuesday evening at 7:30 when they go to Albany for their curtain raiser game with the Juniors.

Boys who will see action in the Thursday night tilt, according to Laminack are: Stanley Austin, and Jerry McCallis, quarterback; David Bellamy, fullback; Jimmy Cooper, Jodie Ford, Bill Richie and Peanut Boatwright, halfbacks; Larry Upshaw, center; Jesse Mendoza, Jerry Smith and Neil Branscum, guards; Robert

TEXAS TECH CAPTAINS—Leading the Red Raider grididers through their 1958 schedule are Quarterback Jerry Bell of Ballinger, captain, (left) and Halfback Mack Pogue of Sulphur Springs, alternate captain.

High School B Squad To Play Haskell Crew At Hamlin Tonight

Hamlin High School's B football squad will open its 1958 season tonight (Thursday) against the Haskell Bs on the Pied Piper stadium beginning at 7:30 o'clock.

Coach Neil Laminack declares that, although he is working with an inexperienced bunch of boys generally, he had a fighting group that will provide some entertainment for fans watching the tilt.

Haskell's B squad, reported to be heavier and more experienced, will probably use some of the plays being used by the A team that will face the Pied Pipers later in the season.

Boys who will see action in the Thursday night tilt, according to Laminack are: Stanley Austin, and Jerry McCallis, quarterback; David Bellamy, fullback; Jimmy Cooper, Jodie Ford, Bill Richie and Peanut Boatwright, halfbacks; Larry Upshaw, center; Jesse Mendoza, Jerry Smith and Neil Branscum, guards; Robert

Booster Club Group See Eastland Movies

A colored film of the Eastland Maverick-Hamlin Pied Piper football game played at Eastland last Friday night was shown at the regular weekly meeting of the Pied Piper Booster Club Monday evening at the high school cafeteria.

Coaches Neil Laminack and Harry Martin reported on their scouting trip of the Spur-Abernathy game last week-end. They declared the Spur Bulldogs, whom the Pied Pipers meet Friday on their own grid, will be a tough squad.

President Duane Stallcup of the booster club urges all interested fans to attend the weekly sessions of the booster group, staged each Monday evening at the high school cafeteria.

Woodruff, Jerry Duncan, Henry O'Neal, tackles; David Bonds, Bob Murff, Jimmy Barrett and Rayford Williams, ends; and Jack Haught, defensive halfback.

District 6-AA Teams Win Three and Lose Two Grid Games Last Week-End

Teams of the new District 6-AA kept their scoring in good clicking order in the first football games of the year Friday night and wound up the play with three victories and two losses. Hamlin, Stamford and Haskell took their tilts, while Seymour and Anson were on the short ends of scoring in their curtain raisers.

Of course, none of the initial games were conference melees, but they gave some indication of how the district teams will be stacking up for the season.

Crowell's powerful Class A Wildcat aggregation trounced Seymour by a 20 to 18 count on the Seymour grid. Quarterback Jim Henry and Halfback Gerald Bradford scored in the first quarter to post a 12 to 0 lead for Crowell at the half. Billy Carlock and Joe Chandler tallied for Seymour in the third period to even things up. Crowell bounced back in the third when Henry romped over on a 21-yard plunge, and Bradford ran for the two extra points to make it 20 to 14. Eldan Welch passed to Travis Clark for a 65-yard touchdown for Seymour, but the extra points try failed.

Haskell's Indians used a balanced T formation attack to overrun the Jacksboro Tigers in a season opener Friday night at Jacksboro by a 21 to 0 score. After a scoreless first period, Haskell scored first two minutes before the half when Erby Wolf passed to End Lewis Jones for 27 yards and a touchdown. End John Rike kicked the extra point. The Indians took the third quarter kick-off and marched 61 yards in seven plays for the score. Tom Anderson going over, and Wolf again kicked the extra point. In the fourth period Wolf went around left end for the final score, and Wolf kicked his third goal.

Coleman's Bluecats to a 24 to 12 victory from the Anson Tigers Friday night at Coleman. Coleman took an early lead when James Hammonds recovered an Anson fumble and set up the first score. Pat Debusk, fullback, went over, and Jerry Harris passed to Mickey Casey for the two-pointer. Anson scored in the second quarter when Delbert Wilson plunged for a 47-yard play.

Ted Wright Returns From Navy Unit Tour

Ted K. Wright, electronics technician third class in the U. S. Navy, son of Mr. and Mrs. Jack Wright of Star Route, Hamlin, was scheduled to return September 1 aboard the destroyer USS Agerholm to San Diego, California, according to a release to The Herald from the Navy base.

The Agerholm returns to the United States after completing seven months duty with the U. S. Seventh Fleet in the Far East. During her overseas deployment, the Agerholm steamed about 50,000 miles. She visited ports in Japan and the Philippines in addition to Singapore, Hong-Kong and Suva, Fiji Islands.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 9,444 miles of grading, structures, base and surfacing from U. S. 180 to 4.7 miles south, and from Stonewall County line to Hamlin on Highway FM 611 and FM 2481, covered by R 983-2-4 and R 1747-3-1 in Fisher and Jones Counties, will be received at the Highway Department, Austin, until 9:00 a. m., September 16, 1958, and is then publicly opened and read.

This is a "Public Works" project, as defined in House Bill No. 66 of the 43rd Legislature of the State, as defined in House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House bills. No provisions herein are intended to be in conflict with the provisions of said acts.

In accordance with the provisions of said House bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at regular governing rates.

Plans and specifications available at the office of Nelson Shave, Resident Engineer, Hamlin, Texas, and Texas Highway Department, Austin. Usual rights reserved.

John C. Green, 81, Dies at Big Spring Following Attack

Death came Saturday morning in a Big Spring hospital to John Crawford Green, 81-year-old retired Hamlin community farmer following a heart attack. He had been in failing health for several years.

Born in Tennessee November 3, 1876, he was the son of Mr. and Mrs. W. M. Green. The family came to Texas while Green was a lad. He was married to the former Adella Wade in 1900 in Van Zandt County. They had lived in the Hamlin territory for 44 years, and had farmed until his retirement a few years ago. He was a member of the Dovie Methodist Church.

Surviving the pioneer are his widow, Mrs. Adella Green of Hamlin; four sons, Ira and Wade Green of Hamlin, Bonnie Green of Lubbock and J. C. Green of Oregon; one daughter, Mrs. James Palmer of Levelland; one sister, Mrs. J. C. Hollis of Memphis; 18 grandchildren and 14 great-grandchildren.

Funeral services for the octogenarian were conducted at the First Methodist Church.

Surviving the pioneer are his widow, Mrs. Adella Green of Hamlin; four sons, Ira and Wade Green of Hamlin, Bonnie Green of Lubbock and J. C. Green of Oregon; one daughter, Mrs. James Palmer of Levelland; one sister, Mrs. J. C. Hollis of Memphis; 18 grandchildren and 14 great-grandchildren.

Funeral services for the octogenarian were conducted at the First Methodist Church.

TENSE MOMENTS MANY are featured in the startlingly unique French film, "Mademoiselle," starring Brigitte Bardot and Daniel Gelin (above). The film will play at the Hamlin Drive-In Theater beginning Saturday.

Pied Pipers Will Give Good Action, Coach Tells Lions

The 1958 edition of the Hamlin High School Pied Pipers is rather light and inexperienced, but will give a good account of itself in the forthcoming grid season, declared Head Coach D. C. Andrews when he gave a summary of the outlook for his team at the Tuesday noon luncheon of Hamlin Lions Club at the oil mill guest house.

Andrews, who said the Pied Pipers were lucky to win their opening game Friday night at Eastland, admitted that his crew would face tough competition tomorrow (Friday) night at Spur.

"Our backfield is rather weak this year following the loss of several outstanding backs last year, but the boys are improving. We lack speed and size, but Gene Murff, Ken Prewit and Bob Brandon will make good showings," declared Andrews.

Line Coach Jimmy Vaughn said that, with only three lettermen returning to the line, that department also is weak this year. However, a new double team blocking system is paying off nicely. "We should profit by some of our first game mistakes," Vaughn said.

Max Murrell was recognized as a new Lions Club member, but initiation ceremonies were postponed Tuesday.

Acting President B. V. Newberry said the Lions Club would furnish cars for taking football boys home again this year as in the past.

Special Price Quoted On Royal Portables

Back-to-school savings on Royal portable typewriters prevail now at The Herald. Take the low, slim Royalite! Regularly \$74.95, now only \$69.95.

What a savings and what a chance to send your youngster back to school with a Royal. See the Royalite and other portables now at The Herald. Some are in colors, too.

French Beauty to Be Starred in Film At Drive-In Screen

Known in Europe at BB, France's "Six Kitten," Brigitte Bardot was born in Paris September 28, 1934. Her father owns a huge liquid air factory and her mother has a dressmaking firm, and she and her 18-year-old younger sister, Marie Jeanne (who has now gone into movies, too) were brought up in luxury and comfort. Typical children of a Parisian upper class family, they had a governess until the age of 15.

Discovered by a magazine photographer, Brigitte was eventually trained for pictures by Roger Vadim, to whom she was married. She has made all her pictures so far in Europe.

"Why haven't you accepted any Hollywood offer so far?" she was asked the other day. "Because I don't like to fly airplanes," was her astonishing answer.

But she is fond of sailing, and if things continue to go her way, it is not impossible that Miss Bardot will eventually make her entry into Los Angeles aboard her own private yacht.

Now as Agnes, the unwilling egyptiologist in "Mademoiselle," Brigitte reaches the peak of success—a role which no other female could perform with such a degree of charming lasciviousness. For there is, after all, only one BB! The film plays at the Hamlin Drive-In Theater beginning Saturday.

Methodist Church to Host Training Course

Hamlin First Methodist Church will be host on Tuesday, September 23, from 1:00 until 9:00 p. m. to a training course for the commission chairmen, pastors and board chairmen of the Stamford District, it is announced by district officials.

Pastor Edmund W. Robb and members of his congregation will arrange to feed attendants in the fellowship hall of the church at the evening meal, it is announced.

HHS Seniors Elect Red Fowler President At Business Meeting

Ex-president Bryan Shelburne called the 1957-58 senior class to order Wednesday, September 3, for the purpose of electing new officers.

Senior class president was first elected. After counting the votes Red Fowler was handed the gavel to preside as president. Then the following other officers were elected: Gene Murff, vice president; Judy Parker, secretary; Ginger Rabjohn, treasurer; Libby Johnson, reporter; Boyce Blankinship, parliamentarian.

Dora Mitchell and Harold Williams were selected for the class sponsors.

Also elected were class favorites, who are Ginger Rabjohn and Bob Martin. Pat Branscum and Louise Lakey were elected ladies-in-waiting to serve the favorites. Jo Ann Hallum, Piper nominee, will try to capture Piper Queen for her class.

Class mothers will be selected at a later date.

WITH THE RETURN from summer vacations of several Hamlin area people, who have resumed their places in churches of the community, causes us to blow the dust off an oldie we used to tell.

It concerns a certain family that, upon leaving for their summer home in the mountains, told the church usher that he might seat other visitors to the church in their pew during the family's absence.

One Sunday morning, when the family returned home and went to church after some people had been seated in their regular pew, the usher was embarrassed and flushed.

He tried to say: "Pardon me, madam, but your pew is already occupied, and I'll have to show you another seat." But, stammering and excited, he said: "Pardon me, madam, but your pie is already occupied and I'll have to show you another seat."

C TIMES DO CHANGE, complained the Hamlin woman the other day to her husband as she declared that he had lost all romance that once distinguished him from the other fellows.

"You used to kiss me," she said with a pout as she had the urge to live in the past. So he leaned over and kissed her on the cheek.

"You used to hold my hand," she said, so he reached out and held her hand.

"You used to bite me on the neck," added the lady, and Pop started to walk out of the room. "Where are you going?" asked Mom, and Pop replied: "To get my teeth."

C OUR PREACHER Sunday was telling about the almost lost art of shouting when a minister makes a good point during a sermon. He was saying there was an old lady who was in the habit of praising the Lord aloud when she was edified by a particular eloquent statement by her pastor.

A new young preacher came to the church as pastor, and the good old lady's shouting flustered him somewhat. One day after the sermon the minister told the old lady he would give her a blanket for Christmas if she would refrain from her outbursts. She agreed.

Several Sundays later however, when the preacher waxed eloquent she could resist the urge to shout no longer.

"Praise the Lord! Glory hallelujah, blanket or no blanket!" she shouted.

C EMBARRASSING moments come to all of us. But a young McCaulley lady was telling a friend the other evening about her embarrassment in a dream.

"I dreamed last night that I was playing a violin solo in Carnegie Hall wearing my pajamas, and I was so embarrassed when a string broke."

"On your violin?"

"No, on my pajamas."

C THESE DAFFY definitions probably will never see their way into a modern dictionary, but one will have to admit that they're right for all practical purposes:

Abuse: What to use when discussion doesn't succeed.

Alike: What no two individuals are, and what both of them are glad they are not.

Baseball: A game that thrives only because there are strikes and errors.

Canoe: A boat which, like a spoiled brat, behaves better when paddled from the rear.

Elephant: Proof that peanuts are very fattening.

Failure: A condition attained by choosing to put things off rather than over.

Father: A man who may spend thousands of dollars on his son's education and get only a quarter-back.

Gentleman: A man who is unaware that he is one.

C THE HAMLIN young man who married the lazy girl from Stamford was a decided optimist, you'll have to agree.

She would never mend his socks, but he found consolation with the assurance:

"It's better this way," he said with a smile. "You know, now I can put them on from either end."

THESE YOUNG FOLKS are now reverent citizens. They have been residents of the community for more than 44 years, having devoted much of that time to community betterment and public service. They have been active in their church and clubs. Sunday scores of friends and relatives honored them on the observance of their golden wedding anniversary. For complete story and a more recent picture see page four.

Soil Bank Requests Must Be Filed Soon

Sign-up in Jones County for the 1959 conservation reserve of the soil bank is open at the county Agricultural Stabilization and Conservation (ASC) office at Anson. Chairman R. G. Rowell advised this week.

First step in the sign-up is for the farmer who is interested in the program to come to the county office and request that annual rental payment rates be established for his farm.

At the same time, the farmer should bring with him information to be used by the county ASC committee in establishing rates for his farm. Chief facts needed, Chairman Rowell said, are

Average rental payment rate for conservation reserve land in Jones County in the 1959 program is \$11 per acre per year. Maximum payment rates will be higher for the more productive farms and lower for the less productive farms.

E. S. Morgan Declines Principalship of Big San Angelo School

E. S. Morgan, principal of the DePriest Colored Schools at Hamlin for the past 10 years, last week turned down the principalship of Blackshire Junior High School at San Angelo, which would have given him a nice increase in pay.

Blackshire Junior High is a 23 teacher school, and the principalship involves no teaching duties as required at Hamlin.

"I have enjoyed my work at DePriest school," declared Morgan, "and I feel that I have lots of friends here, and because of extra activities I can do in my church and community, I feel compelled to turn down the San Angelo offer. Money is not everything, you know."

Morgan holds BA and MA degrees from Texas College at Tyler and has done post-graduate work at the University of Southern California.

Fall Is Time to Plant Crops in Area For Winter Cover and Soil Improving

Recent rains in the territory provide good soil moisture conditions for farmers to plant winter cover and soil improving crops. Several farmers have inquired at the Soil Conservation District office for information regarding planting Austrian winter peas, vetch, and these crops mixed with small grains.

Austrian winter peas are a winter annual legume, well adapted to local soils. They furnish good land cover, excellent soil conditioning and may be grazed.

Planting time for winter peas is from September 1 to November 1. Plant at a depth of one and one-half to two and one-half inches. When planted in rows plant eight to 10 pounds per acre. Drill 15 to 20 pounds per acre in a mixture with small grain.

Inoculate with proper bacteria at time of planting.

Hairy vetch, also a winter annual legume, provides good soil cover and improves soil fertility. Vetch should be planted September 1 to November 1 at a depth of one and one-half to two and one-half inches.

Plant three to seven pounds per acre in rows and 10 to 15 pounds per acre when mixed with small grain. The proper inoculation should be gotten at time seed are bought and used as directed on the container.

Area People to Go To West Texas Fair

Scores of Hamlin area people are scheduled to attend the West Texas Fair beginning Saturday at Abilene. It will be the biggest exposition in the history of the affairs, which has been growing steadily since it was reorganized three years ago.

The fair grounds, greatly expanded by Taylor County with erection of new exposition buildings at the exposition center north of the municipal airport in Southeast Abilene, is now more accessible with new roads and outlets.

Tuxedo Man Dies of Brain Concussion in Auto Crash

Increases Tabbed In Enrollments in Hamlin Schools

Increase of 30 students in the four white schools of Hamlin was recorded in tabulations made this week in comparison with last year's enrollment, according to Superintendent of Schools C. F. Cook.

Eighty-six students were enrolled in the first grade, 92 in the second grade and 83 in the third grade. The 261 total compares with last year's 243—a gain of 18.

In the elementary school the fourth grade enrolled 80 and the fifth grade 92 for a total of 172, a gain of two over last year.

In junior high school 74 were signed up in the sixth grade, 85 in the seventh grade and 72 in the eighth grade. The total of 231 is a gain of three over last year's enrollment of 228.

In high school 70 students were enrolled in the ninth grade, 62 in the tenth, 56 in the eleventh, and 50 in the twelfth for a total of 238, compared with 231 for last year.

Total enrollment in all four schools was 902 compared with 872 last year. Enrollment at DePriest Colored School was 191, making the total enrollment 1,063, a gain of 42 over last year.

Rat Poison Made Available Free to Farmers of Region

Poison grain for rats and mice was made available free this week for farmers and ranchers of the Hamlin territory by the Hamlin Board of Community Development, according to officials of the BCD.

The poison, in pellet form, has been put up in one and two and one-half pound bags, and is free for the asking at the BCD office, upstairs over the city hall.

A one-pound package will take care of the usual needs of a farm home, it is explained, and places with large barns and outbuildings will require the two and one-half pound package. The bait should be put out where poultry and other animals will not have access to it. Several different batches may be required to rid a place of all varmints, it is pointed out.

More complete instructions for use of the poison are provided the user when it is delivered.

Rats and mice are reported in greater numbers all over the Southwest than in many years, due to damp weather, good crops and undergrowth favorable for the varmints' propagation.

Gain in Attendance Reported in Totals for City Sunday Schools

Best attendance in several weeks was reported by Sunday Schools of Hamlin churches Sunday. The 1,295 total, although 77 more than the previous week, was only six more than the year ago total.

Attendance, by churches, for September 7, August 31 and a year ago, follows:

	Sept.	Aug.	Year
Churches—	7	81	Aug
Ch. of Nazarene—	85	96	91
Oak. Gr. Col. Baptist—	66	65	67
First Baptist—	387	358	289

VISIT FROM DALLAS

Mr. and Mrs. M. W. Randolph

of Dallas visited last week in the home of Mr. and Mrs. O. R. Lee,

their cousins, and with friends.

THESE WERE THE CHAMPION GIRL CAGERS of Hamlin High School back in 1918. The picture, among scores of old school photographs to be displayed during the 1958 HHS homecoming October 3 and 4, shows the girls' basketball team that won the district title. Shown in the picture are: First row (left to right)—Chlorene Vaughn, now Mrs. Harwood of Hico; Verda Salmon, now Mrs. Cliff Reynolds Sr. of Hamlin; Tennie Barnett, now Mrs. R. D. Moore of Hamlin; second row (left to right)—Eunice Criswell, present name and address unknown; Leah Mayfield, now Mrs. Dan Boone of Dayton; Mrs. E. W. Routh, coach and teacher; Velma Boyd, now Mrs. Harrell of Anson; third row (left to right)—Ester Young, now Mrs. Tarlton Willingham of Hamlin; W. E. Routh, teacher, now deceased, and Eunice Hawkins, now Mrs. Daniels of Jayton.

Hamlin Negro Held in Nolan Jail After Woman Attacked

Demonstrations In Rat Control Set At County Points

Annual Jones County 4-H Club Sears Roebuck Swine Show was held in Anson Friday of last week, with eight gilts and one boar on hand for exhibition. Mr. Colby of the agriculture department of Abilene Christian College was on hand to do the judging.

The following placings were made: Mike Barbee, first place; Richie Cox, second; Terry Touchstone, third; Billy Fillmon, fourth; Billy DeBusk, fifth; Sandra Carter, sixth; Kathleen Lollar, seventh; and Will Teague, eighth.

Farmers and ranchers, as well as others who may be interested in the rat control program now underway in the area, are invited to attend these demonstrations. Poison will be available at all the demonstrations, it is announced.

The schedule of demonstrations follows:

Monday, September 15—Hawley school, 2:00 p. m.; Nugent store, 4:00 p. m.

Tuesday, September 16—Lueders school, 8:00 a. m.; Corinth, 10:30 a. m.; Tuxedo, 1:30 p. m.; Neinda, Brown's store, 3:30 p. m.

Wednesday, September 17—Noddle school, 8:00 a. m.; Truby store, 9:30 a. m.; Hodges gin, 1:30 p. m.; Funston gin, 3:30 p. m.

Bait furnished by the Rodent Control Service will be available to all those attending the meetings for a nominal fee.

Filling the pupit at all three services will be the pastor, Elder Fred Boen. The public is invited to attend these services.

See NEGRO HELD—PAGE 8

Primitive Baptists Set Week-End Services

Services this week-end for the Primitive Baptist Church at Dovie, five miles east of Hamlin on the Stamford highway, will begin Saturday evening at 8:00 o'clock. It is announced by church leaders. Services Sunday will be at 11:00 a. m. and 8:00 p. m.

Filling the pulpit at all three services will be the pastor, Elder Fred Boen. The public is invited to attend these services.

See NEGRO HELD—PAGE 8

BCD Asks for Listings Of Housing Available

Housing facilities in the Hamlin community have been on the scarce side for several weeks as new people have been coming to the city, reports Mrs. Ned Moore, secretary of the Board of Community Development. The organization is endeavoring to place newcomers.

People having housing, either houses or apartments, are asked to list them with the BCD office, and Mrs. Moore will assist in placing new people without charge she says.

Mrs. Moore also reports that several laborers desiring employment have registered at the BCD. Citizens needing laborers are also asked to file their needs with her so she may help laborer and employer to get together.

T. C. Blankinship, vocational agriculture instructor at Hamlin High School, will be the poultry judge at the West Texas Fair beginning this week-end at Abilene.

Entries in the livestock, poultry and rabbit divisions of the fair, to be staged at the Taylor County Exposition Center in Southeast Abilene, had reached a total of 920, last week-end, according to H. A. Travis, general superintendent.

Two Cars Crash During Rain on South Highway

About 14 hours ago he sustained a brain concussion in a collision of two automobiles in South Hamlin about 6:40 o'clock Saturday evening. A. G. Hester, 79-year-old resident of the Tuxedo community, east of Hamlin, died at the Hamlin Memorial Hospital. He failed to regain consciousness from the injuries he received.

The car of Hester, traveling alone and going south on South Central Avenue just south of the McCauley highway Y, was in collision with a car occupied by Mr. and Mrs. Joe Stewart of Hamlin. It was raining, and the highway was wet. Investigating officers said Hester's car had swerved to the left and was struck on the right side by the Stewart car.

Mrs. Stewart suffered a head cut, and her husband had a cut on the forehead above the right eye. All three victims were taken to the hospital. The Hesters were released from the hospital Sunday.

Entered at Post Office at Hamlin, Texas, for transmission through the mails as Second Class matter according to an Act of Congress on March 3, 1879.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be correctly, gladly and promptly, upon its being brought to the attention of the management.

Several Changes Made in Rules for County Club Show

Several rule changes have been announced by directors of the 1958 Jones County Club Boys' Livestock Show, to be held in February at Stamford. The new rules follow:

1. All dry lot and milk fed calves will show in the same class. You may feed any way you desire—there will be no distinction in classes of milk fed or dry lot steers.

2. A new class called "commercial steers" has been set up for the new show. These will be separate and apart from the other classes of calves. In this class you may purchase from one to three steers, any weight, put them on wheat for a month or so and then finish them on a commercial ration. You must purchase these calves between August 10 and October 1, 1958. You will be required to weigh calves when purchased and when finished and show on an exhibit card their weights, rate of gain, etc. Award money to be given on grade only. If you show a pen of three commercial calves, only one of these may be a heifer.

3. In the pen of three fat hogs only one gilt may be exhibited.

4. A weight limit between 160 and 250 pounds has been established for fat barrows.

5. Capons cannot be over 15 months old and must weigh a minimum of six pounds before they are eligible for the show.

Rubber bands at The Herald.

THE BROZOS RIVER AUTHORITY formally takes possession of its new six-acre building site at the fair grounds in Waco as J. H. Kultgen, the president, turns over a check for \$20,000 to Mayor Joe Ward. The BRA bought the land from the city, and hopes to start work on its new headquarters by the first of 1959. The Hamlin territory is interested in the work of the BRA inasmuch as its conservation work affects the Double Mountain Fork of the Brazos River, north and northwest of this Jones County metropolis.

ASK A SILLY QUESTION.

A sportsman stopped one of the natives.

"Tell me," he said, "do you think it would be worth my while to try fishing around here?"

"Don't know," was the answer. "The fishin' here ain't so good, but of course I don't know how you value your time."

Sophomores of HHS Elect Class Officers At Wednesday Meet

Members of the sophomore class of Hamlin High School met last Wednesday in the high school library for the purpose of electing class officers.

President for 1957-58, Ned Moore, took charge of the meeting until the new president, Bob Murff, was elected. Other officers for the year are: Cecil Sellers, vice president; Clyde Hodnett, secretary; Larry Upshaw, treasurer; and Georganna Fitzgerald, reporter.

For their favorite girl and boy the class selected Darla Harkey and David Bonds. Ladies-in-waiting for the annual Pied Piper Carnival, to be held later in the year, were Sharon Wyatt and Jennie Law, and the carnival queen nominee was Nina Jean. Student selected to represent the class on the Student Council was Mike Bond.

Class sponsors are Coach Jimmy Vaughn and Coach D. C. Andrews. Class mothers are Mrs. L. C. Bonds, Mrs. Joe Hudspeth and Mrs. J. L. Fitzgerald. The class colors are black and blue, and the flower is the bluebonnet.

The sophomore class would like to extend a special welcome to two new members, La Nell Crox from Abilene and David Bellamy from Quanah.

Ulcers are caused not so much by what you eat as what's eating you.

NEGRO HELD

(concluded from page one) Sweetwater) was unable to identify the man, she said she noticed that he limped.

Sheriff Lambert said he and other officers found "peculiar" footprints near the home and followed them across pastures and down a railroad track for 15 miles. He said the footprints looked like a "one-legged man" had made them, or somebody that was limping badly, because only the ball of one foot showed on the ground.

Shelton, although he declined to take the stand at the examining trial, told officers earlier he walked with a limp because one tendon in his foot had been shot while he was in California. He also told them earlier that he had been near the house on the night of the alleged offense.

Deputy Sheriff Ernest Eldson testified he aided in the investigation and that he had found some orange juice cartons and other groceries answering the description of some taken from the house, hidden near the railroad tracks. The "peculiar" tracks did not go up to that place, he added, but they were nearby.

The woman, a long time resident of the area, told this story when put on the stand:

She had been alone in the darkened room watching TV. Her daughter and the daughter's husband were away for a short while and the front door was unlocked.

A prowler—a dark, high-cheekboned man with a long forehead—slipped up behind her and clapped a bedsheet over her head. He then tied her arms behind her with a large cord and put her on a bed in the bedroom.

Following this the man went through some dresser drawers and then raided the refrigerator. While he was doing this, the woman got loose and ran out of the house toward a neighbor's home. However, the prowler heard her and gave chase. He twisted the woman's arm behind her back and forced her into the house again where he laid her on a different bed. At this point she noticed the man had difficulty climbing up on the porch—indicating that he had a bad limp.

After assaulting her, the man left and the woman locked all doors and windows in the house.

The prowler then cut a screen and came in through a window. He tied her to a bedpost and again left.

Presently the daughter and son-in-law came home and the sheriff was phoned.

MAKING THE GRADE.

The lazy student was complaining to his instructor.

"I don't think, sir," he said, "that I deserve an absolute zero."

"Neither do I," replied the teacher, "but, after all, it's the lowest grade I'm permitted to give."

Celetex Reports Upped Sales and Earnings for Year

Increased sales and earnings in the third quarter improved the nine-month report of the Celotex Corporation. Henry W. Collins, president, said this week in a release to The Herald. He pointed out that improved business in the third quarter brought that period's earnings to \$1.03 a share as against \$1.01 in the like three months last year.

Sales in the nine months ended July 31, including those of the Hamlin plant, were \$47,308,806, compared with \$49,089,233 in the corresponding period last year. Net earnings were \$1,506,599 after all charges and income tax provisions, equal after preferred dividends requirements to \$1.27 a share on 1,028,651 shares of common stock currently outstanding. Earnings in the like period last year, including \$395,733 net profit on the sale of investments, were \$2,693,431, equal to \$2.43 a share on present shares or \$2.84 on the 878,651 shares then outstanding.

Sales in the third quarter were \$18,889,559 as against \$18,322,406 in the same period last year, and after-tax earnings were \$1,124,229 as against \$1,097,784.

No matter how poor a man is at mathematics, he knows that 36, 25 and 36 add up to a nice figure.

Entertainment to Be Features of Program At State Fair of Texas

Brightest spotlight of the 1958 State Fair of Texas, October 4-19, will be on entertainment. More big shows, more big name stars have been booked than ever before.

And a great many of the shows will be absolutely free. Tickets are now on sale for the fair's paid attractions.

Included in the array of entertainment features are "The Music Man," "Ice Capades," Tennessee Ernie Ford Show, Eydie Gorme, Steve Lawrence Show, for which admissions will be charged. Free shows on the "State Fair Shower of Stars" include Tito Guitar, Meredith Wilson and the Music Festival, "Sky King and Penny," Laverne Baker and Buddy Johnson's band, Magnolia Midway Shows, daredevil aerialist Albion Troupe and Skymasters.

Mr. and Mrs. Bowen Pope Celebrate Golden Anniversary with Open House

Scores of friends and relatives called at the home of Mr. and Mrs. Bowen Pope, 148 Northwest Avenue B, as they observed their fiftieth wedding anniversary Sunday afternoon with open house, hosted by their daughters and sons-in-law. Mr. and Mrs. Richard Hinkle of Midland and Mr. and Mrs. George Kinney of Stamford. The couple was married September 4, 1908, in Tulli at the home of her parents, the late Mr. and Mrs. J. J. Sigler. Mrs. Pope, the former Leslie Sigler, was born in Putnam, Callahan County. She attended Simmons College at Abilene.

Mr. Pope was born in Elmwood community, Smith County, Tennessee, September 5, 1878, and moved with his family to Hunt County at the age of 12. He attended Normal College at Commerce and North Texas Teachers College at Denton. At the time of their marriage he was principal of Tulli High School and Mrs. Pope was teacher of speech in the same school.

In 1909 Pope became principal of the Canyon schools, and when West Texas Teachers College was established there in 1910 he worked in the summer as a carpenter helping erect the first buildings on the campus. Then he enrolled as a student in the college and was a member of the first graduating class in 1911. Later he did graduate work in Baylor University and Texas University.

Pope became superintendent of schools at Pampa in 1911, and later held the same position in the Chillicothe schools for two years. It was in Chillicothe that he became interested in newspaper work and decided to leave the teaching field.

In 1914 Mr. and Mrs. Pope moved to Hamlin, where he became owner and publisher of The Hamlin Herald. Mrs. Pope continued teaching for several years.

Pope was a member of the Texas Press Association and helped organize the West Texas Press Association.

He served as the second secretary and later as president of the West Texas organization.

In 1924 Pope was elected state representative for Jones and Shackelford Counties, and served three terms in the Texas Legislature from 1925 through 1930. It

FIFTY YEARS OF MARRIAGE were celebrated Sunday by Mr. and Mrs. Bowen Pope (above), when open house for friends and relatives was hosted at the Pope home in Northwest Hamlin by their two daughters and their husbands.

Parents Can Do Much to Mold Child's Traffic Safety Habits, Expert States

"A child's traffic safety habits, more often than not, reflect the examples that have been set by parents."

J. O. Musick, general manager of the Texas Safety Association, made this statement today in appealing to motorists for cooperation in TSA's current back-to-school traffic safety program.

"Good traffic habits and attitudes of parents will do a lot to keep children safe in traffic," he said. "Also important is the extent to which parents try to teach children safe traffic practices."

Musick said that instruction in traffic safety is a fairly simple matter for parents—the important thing being to do it consistently. He then listed five of the most important rules to teach being:

1. Teach children, largely by example, that it is always best to cross streets at intersections only, waiting for the proper signal and looking in both directions before leaving the curb.

2. Support what the child's school is teaching about safety, and cooperate with teachers, officials and safety patrol boys by helping your child develop a healthy attitude toward safety-mindedness.

Whynama Hayes and Billy Don Rose Wed

Whynama Hayes, daughter of Mr. and Mrs. Albert Hayes, and Billy Don Rose, son of Mr. and Mrs. J. A. Rose of east of the city, were united in marriage Saturday morning at Anson. Justice of the Peace Joe Mathis performed the ceremony.

The bride was dressed in a two-piece white orlon knit suit with blue accessories. Only relatives of the couple attended the rituals.

Following a brief wedding trip to Dallas, the newlyweds will return to their home in Lubbock at 2218 Fifteenth Street. Both the young people will enter Texas Technological College next week.

en, Colorado, and Ann Hinkle of Midland.

For the anniversary celebration the white satin covered tea table carried all appointments in gold. Featured was a three-tier wedding cake topped with golden bells. The flowers were imported pale pink antherium blossoms arranged with golden grapes and foliage were served with punch.

Tall golden candelabra on the buffet were entwined with pale pink rosebuds and golden foliage.

Gold and white chrysanthemums were used in arrangements on the mantels and at other vantage points in the home.

Serving in the house party were Mrs. Tate May, Mrs. C. Prater, Eleanor Temple, Mrs. James Fitzgerald, Lennie Greenway, Mrs. S. C. Ferguson Sr., Mrs. Vera Nobles, Mrs. Kenneth Scott, Mrs. Burton Carlton, Mrs. J. H. Kinney of Stamford and Ann Hinkle of Midland.

Up-to-Date Idea About Telephones

Where is the telephone in your home? Is it where you can always reach it easily when it rings—or when you want to make a call?

Or is it in a central hall or in the middle of the house not really close to any place where members of your family are when they want to use it?

Families with modern telephone service like to have phones in color in the kitchen, living room and bedrooms.

With your home equipped with handy extension telephones, you can "reach" rather than "run" for the phone.

Why not order more telephones for your home today? You'll find the cost of extensions will add very little to what you now pay, but will add a great deal to your comfort and convenience.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Imagine Being Happy During CHANGE-OF-LIFE!

Thousands of women now so "smiling through their tears" trying years—without much suffering from "heat flashes"! Countless women have found you no longer have to feel sickly, "old" before your time. Today, many can enjoy change-of-life—without terrible suffering! Pinkham's Tablets have been developed especially to relieve those "unintentionally caused female miseries." Their unique formula includes their building iron with Pinkham's Tablets.

Aspermont Luncheon Opens Club Year for Beta Theta Chapter

Members of the Beta Theta chapter of Beta Sigma Phi sorority opened their fall season Saturday afternoon with a luncheon at the Hickman Cafe in Aspermont.

Tables were decorated with a yellow and blue centerpiece of gladiolas and chrysanthemums which carried out the color theme of Beta Sigma Phi.

After the luncheon a short program was given by Mrs. L. C. Bonds and Mrs. Edgar Boaz. Mrs. Duane Stallcup, chapter vice president, presided over the business session and led the members in a pledge of dedication. Mrs. Edgar Boaz then presented the members with their program books, and a schedule of programs for the coming year.

Attending the luncheon were Mmes. Duane Stallcup, H. L. Mchaffey, Max Murrell, R. L. McClung, Neil Lamkin, L. C. Bonds, Bill Foster, Edgar Boaz, D. C. Andrews and Wilson Brannon.

The members voted to change their meetings from Tuesdays to the first and third Wednesdays of each month. The next meeting will be held September 17 in the home of Mrs. Edgar Boaz.

Ralph Bailey Weds Odessa Girl Recently

Hamlin Will Host District Meeting for Teen-Age Association

Hamlin High School students will be hosts on October 25 to the District III meeting of the Teen-Age Association, it was announced this week. Hamlin's invitation to hold the session here was accepted when the executive committee of the organization met Saturday.

Those attending the executive session were: Carolyn Goodrite of Snyder, president; Lola May Lassiter of Quanah, vice president; Peggy Dodd of Hamlin, secretary; Martha Cowley of Lincoln, parliamentarian; Jeanne Hall of Abilene, treasurer; and San Angelo girl, historian.

General session will be in the high school auditorium, and a luncheon will be served in the primary school cafeteria. Between 100 and 150 members and sponsors are expected. Mrs. Zelma Hulse is the Hamlin sponsor.

Friendship Clubbers Meet at Lake Cabin

Members of the Friendship Home Demonstration Club held a luncheon at the I. R. Witt cabin on the Moore West Lake.

Those enjoying the luncheon were Mr. and Mrs. Gean Witt, Mr. and Mrs. Sol Branscum, Mrs. J. E. Hix, Mrs. E. G. Young, Mrs. Fred Carpenter, Mrs. John Hix and John Charles, Jan Young and Emma Ray Nall, Mrs. M. F. Green and Mrs. I. R. Witt.

General session will be in the high school auditorium, and a luncheon will be served in the primary school cafeteria. Between 100 and 150 members and sponsors are expected. Mrs. Zelma Hulse is the Hamlin sponsor.

Several Will Attend District B&PW Meet

Several members of the Hamlin Business and Professional Women's Club are scheduled to attend district B&PW meeting Saturday and Sunday at San Angelo.

Lennie Greenway will conduct a workshop on finance at the session. Mrs. Evie Wilson will offer the invocation at one of the district sessions.

Several Will Attend District B&PW Meet

Several members of the Hamlin Business and Professional Women's Club are scheduled to attend district B&PW meeting Saturday and Sunday at San Angelo.

Mrs. Kraft, who organized and conducted the vocational nurses' school, expressed thanks to all who helped in any way to make the first school a success.

Nine Women Passed By State Nurse Board

Nine women have completed a year's course in vocational nurse training at the Hamlin Memorial Hospital, announces Mrs. Elizabeth Kraft, superintendent of nurses. The group have all been passed by the state board of examiners and have been given licenses as licensed vocational nurses.

In the group licensed were Mmes. Cecil Brown, Viola Brown, Lola Jenkins, Dosie McCain, Berneice Nunley, Ruby Perryman, Chris Wilcox and Earlene Williams.

Mrs. Kraft, who organized and conducted the vocational nurses' school, expressed thanks to all who helped in any way to make the first school a success.

Bob and Pat Dunning's Dream Car Comes True

IN PLYMOUTH'S END-OF-MODEL CLEARANCE SALE

Canny young local couple takes advantage of year's lowest prices

Bob and Pat Dunning had put off buying a car. Budget. Wanted to see what would happen.

Last week as Bob, a commercial artist, was driving to work he noted a sign in a Plymouth dealership reading, "End-of-Model Clearance Sale. Lowest Prices of the Year." "Just," as he says, "for the fun of it," he stopped his car and went in.

Chatted with a Plymouth salesman. Couldn't believe his ears.

Bob and Pat own their new Plymouth

now—made the best deal of their lives.

You can, too, if you hurry. This End-of-Model Clearance Sale will be on at your

Plymouth dealer's until the last 1958 is sold.

All models included, and all at the

year's lowest prices. All come equipped

with Plymouth's luxurious Torsion-Aire

Ride at no extra cost. All feature sleek

Silver Dart Styling. Total-Contact Brakes,

thrilling sports-car "feel," other Plymouth

exclusives. Engine options even include

J. H. Holdens Feted With Birthday Dinner At Daughter's Home

Mr. and Mrs. J. H. Holden, long time residents of the Hamlin community, celebrated their birthdays on August 31, with a dinner in the home of a daughter, Mrs. Ira Green. Mrs. Holden was 86 and he was 81.

Out-of-town attendants for the family get-together were Mr. and Mrs. Roy Coble of Colorado, Mr. and Mrs. Alton Lilly of Big Spring, Charles and Rebecca Holden and family from Midland, Mr. and Mrs. James Holden and children of Cleburne, Wanda Snodgrass and Charles from Lubbock, Mr. and Mrs. Glenn Posey of Rotan, Mr. and Mrs. Bobby Green of Dallas, Sue Green of Austin; and Mr. and Mrs. James L. Blanton and family, Mr. and Mrs. Claude Beirne, Mrs. L. B. Holden and Mrs. J. C. Green and Charles all of Hamlin.

A friend is one who is as willing to help you when you need it as when you do not.—Stuart W. Knight.

HOOKED HIM GOOD.

A visiting Texan telling his Minnesota host about the big fish he had caught in the Lone Star State said:

"As a matter of fact," said the Texan, "I caught one that was eight inches."

The Minnesota friend told the Texan that a fish of that size was small in his state.

"Mebbe so," said the Texan, "but down there we measure them between the eyes."

A friend is one who is as willing to help you when you need it as when you do not.—Stuart W. Knight.

Pied Pipers Go to Spur for Second Tussle Friday Night

Bulldogs Lost to Abernathy, But Still Rated Tough

With one victory under their belts—although it was a scary one that came only after the Hamlin boys came from behind Friday night at Eastland—the Pied Pipers go to Spur tomorrow (Friday) night for a tough encounter that will test every man on the squad, declares Head Coach D. C. Andrews this week.

Playing with a light but effective group of boys, the Pied Pipers will face a heavier, more experienced group in the Bulldogs.

Although the Bulldogs last Friday night lost a 20 to 8 decision to the Abernathy crew, the Spur boys are rated stronger than the locals. Abernathy has been rated No. 10 in the state in Class AA football this year, so the loss by Spur was not unexpected.

Coach Andrews says his boys are in good shape generally for the second fray, which will be played on the Spur gridiron beginning at 8:00 o'clock.

Expected to be in the starting line-up will be: Charlie Green and Tobe Shields, ends; Roy Williams and Tommy Bonds, tackles; Steve Carmichael and Bob Martin, guards; Durwood Boyd, center; Ken Prewitt, fullback; Gene Murff, quarterback; and John Richey and Ed Shields, halfbacks.

A big delegation of fans is expected to make the trip to Spur, including the Pied Piper Band and the Girls' Pep Squad.

Pied Pipers Come From Behind to Win Eastland Tilt

Coach D. C. Andrews' Hamlin High School Pied Pipers slipped by Eastland Friday night 20 to 14 to take a thrill-packed tilt from the Mavericks on their home grid. The Pipers were trailing twice during the game, and held a tie for a while before salting away the game on the first play of the fourth quarter.

SEASON STANDINGS

Teams	P.	W.	L.	Pct.
Stamford	1	1	0	1.000
Hamlin	1	1	0	1.000
Haskell	1	1	0	1.000
Anson	1	0	1	.000
Seymour	1	0	1	.000

RESULTS LAST WEEK

Stamford 32, Quanah 14.
Crowell 20, Seymour 18.
Haskell 21, Jacksboro 0.
Coleman 24, Anson 12.
Hamlin 20, Eastland 14.

WHERE THEY PLAY

Anson at Winters.
Hamlin at Spur.
Haskell at Olney.
Munday at Seymour.
Ballinger at Stamford.

Humble Again Will Broadcast Southwest Conference Games

This year Humble Oil & Refining Company will celebrate its twenty-fifth year as a sponsor of football broadcasts featuring the teams of the Southwest Conference. And to celebrate this silver anniversary, Humble will bring football fans one of the most comprehensive schedules of radio and television coverage the company has undertaken to date.

Some 70 games will be beamed out over 130 Texas and New Mexico radio stations. Four Southwest Conference contests will be televised, and viewers will also be able to see a 45-minute videotaped version of the week's top game each Sunday afternoon on the new "Game of the Week" TV program.

That schedule contrasts sharply with the program in 1934 when three Rice Institute games were broadcast as a public service.

Junior High Gridders Play Albany Tuesday

Hamlin Junior High School's Mighty Mice will get their football season off to a fast start Tuesday evening at 7:30 when they go to Albany for their curtain raiser game with the Juniors.

Coach Harry Martin declares that he will present a formidable crew. Although inexperienced in actual play, they will have hustle and fight, he says. A good sized delegation of Hamlin fans is expected to follow the Mighty Mice to Albany.

When success turns a fellow's head, it usually wrings his neck.

Hamlin Junior High Gridders Shape Into Formidable Squad

Coach Harry Martin started working last week with 25 Junior High School football prospects. The squad is generally inexperienced as the seventh graders did not play against other schools last year.

Eighth grade boys are Everett Money, 126 pounds; O. H. Weaver, 174; Barry Moore, 125; Tommy Shelburne, 132; Stanley Alexander, 146; Randy Brown, 129; Curtis Payne, 152; Floyd Woolf, 125; Larry Stephens, 117; Raymond Renfro, 100; Jimmy Haught, 100; Mike Martin, 90; Bobby Jones, 108; Danny Niedecken, 92; James Boiles, 90; Larry Blackwell, 115; Clyde Chandler, 112; Terry Jordan, 106; Roy Kelley, 95; Sperland Stone, 92; Anthony Woolf, 98; Mark Smith, 98; Dan Newberry, 108; Van Newberry, 107; and Andy French, 98.

Divide Gridders Beat McCaulley by 31 to 7

McCauley High School Eagles lost their first football game of the season Friday night when they went down before a strong crew of six-manners at Divide by a score of 31 to 7. It was the first District 9-B tilt for both teams.

Ray Owens led the scoring spree of the Divide gridders with four touchdowns and Arvel Rotan added the fifth tally.

Divide added another six points on a short pass from Hollis to End Philip Lewis. The extra point try bogged down.

Climaxing a 60-yard drive, Hamlin came back to count when Fullback Ken Prewit went over on a 25-yard run after Eastland had fumbled the kick-off. Hamlin's try for two points failed.

Eastland added another six points on a short pass from Hollis to End Philip Lewis. The extra point try bogged down.

Eastland held the edge in first downs for the game, making 12 to nine for Hamlin. But the Pied Pipers made 205 yards on rushing to 173 for the Mavericks. The Andrews boys completed four of 11 pass tries for 76 yards and had two intercepted. The Mavericks completed two of nine aers for 28 yards and had none intercepted.

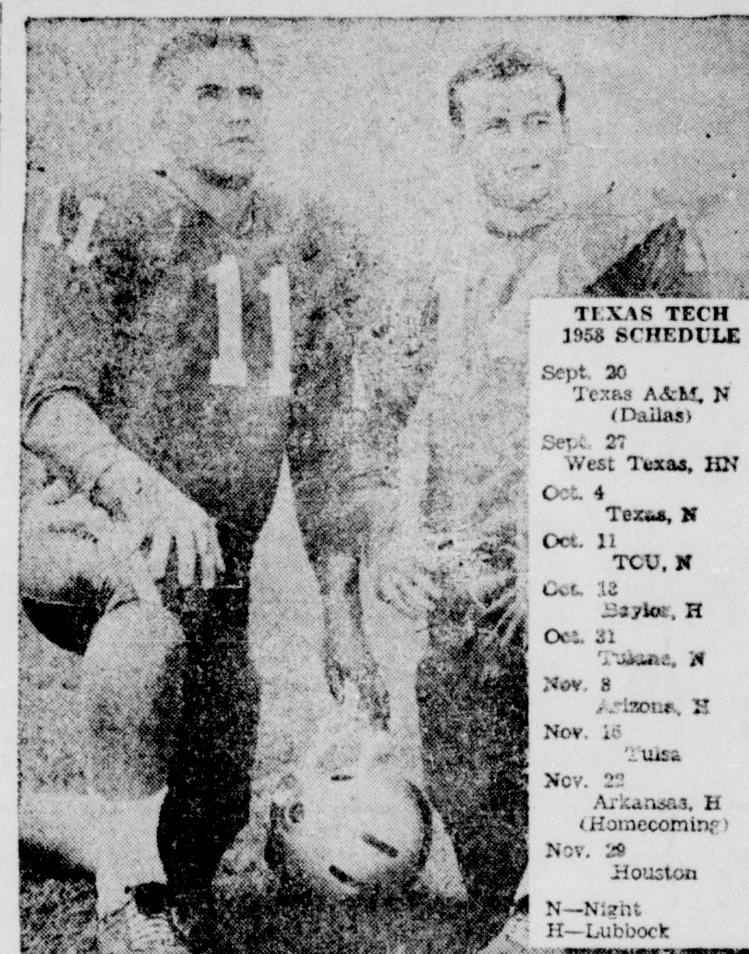

Eastland held the edge in first downs for the game, making 12 to nine for Hamlin. But the Pied Pipers made 205 yards on rushing to 173 for the Mavericks. The Andrews boys completed four of 11 pass tries for 76 yards and had two intercepted. The Mavericks completed two of nine aers for 28 yards and had none intercepted.

Hamlin's B squad, reported to be heavier and more experienced, will probably use some of the plays being used by the A team that will face the Pied Pipers later in the season.

Coach Harry Martin declares that he will present a formidable crew. Although inexperienced in actual play, they will have hustle and fight, he says. A good sized delegation of Hamlin fans is expected to follow the Mighty Mice to Albany.

Hamlin's B squad, reported to be heavier and more experienced, will probably use some of the plays being used by the A team that will face the Pied Pipers later in the season.

Boys who will see action in the Thursday night tilt, according to Laminack are: Stanley Austin, and Jerry McCanniss, quarterback; David Bellamy, fullback; Jimmy Cooper, Jodie Ford, Bill Richie and Peanut Boatwright, halfbacks; Larry Upshaw, center; Jesse Mendoza, Jerry Smith, and Neil Branscum, guards; Robert

TEXAS TECH CAPTAINS—Leading the Red Raider gridsters through their 1958 schedule are Quarterback Jerry Bell of Ballinger, captain, (left) and Halfback Mack Pogue of Sulphur Springs, alternate captain.

High School B Squad To Play Haskell Crew At Hamlin Tonight

Booster Club Group See Eastland Movies

A colored film of the Eastland Maverick-Hamlin Pied Piper football game will open its 1958 season tonight (Thursday) against the Haskell Bs on the Pied Piper stadium beginning at 7:30 o'clock.

Coach Neil Laminack declares that, although he is working with an inexperienced bunch of boys generally, he had a fighting group that will provide some entertaining football for fans watching the tilt.

Haskell's B squad, reported to be heavier and more experienced, will probably use some of the plays being used by the A team that will face the Pied Pipers later in the season.

Boys who will see action in the Thursday night tilt, according to Laminack are: Stanley Austin, and Jerry McCanniss, quarterback; David Bellamy, fullback; Jimmy Cooper, Jodie Ford, Bill Richie and Peanut Boatwright, halfbacks; Larry Upshaw, center; Jesse Mendoza, Jerry Smith, and Neil Branscum, guards; Robert

President Duane Stallcup of the booster club urges all interested fans to attend the weekly sessions of the booster group, staged each Monday evening at the high school cafeteria.

Woodruff, Jerry Duncan, Henry O'Neal, tackles; David Bonds, Bob Murff, Jimmy Barrett and Rayford Williams, ends; and Jack Haught, defensive halfback.

District 6-AA Teams Win Three and Lose Two Grid Games Last Week-End

Teams of the new District 6-AA kept their scoring in good clicking order in the first football games of the year Friday night and wound up the play with three victories and two losses. Hamlin, Stamford and Haskell took their tilts, while Seymour and Anson were on the short ends of scoring in their curtain raisers.

Of course, none of the initial games were conference melees, but they gave some indication of how the district teams will be stacking up for the season.

Crowell's powerful Class A Wildcats aggregation trounced Seymour by a 20 to 14 count on the Seymour grid. Quarterback Jim Henry and Halfback Gerald Bradford scored in the first quarter to post a 12 to 0 lead for Crowell at the half. Billy Carkock and Joe Chandler tallied for Seymour in the third period to even things up. Crowell bounced back in the third when Henry romped over on a 21-yard plunge, and Bradford ran for the two extra points to make it 20 to 12. Eldan Welch passed to Travis Clark for a 65-yard touchdown for Seymour, but the extra points try failed.

Hamlin's Pied Pipers took a thrilling first-of-the-season game from the Eastland Mavericks by a 20 to 14 count at Eastland Friday night. Eastland began the scoring in the first period when Clint Humphreys intercepted a Pied Piper pass and ran 32 yards to pay dirt. Halfback Larry Hollis ran the extra point, making the count 8 to 0. After a scoreless second quarter, Hamlin came back in the third period and Fullback Ken Prewit went 25 yards for a tally. Try for extra point failed. Eastland added to its lead when a pass from Hollis to End Philip Lewis was good for a tally. Hamlin also scored in this period when Prewit scored again on a 12-yard trudge. Halfback Ed Shields ran for the two points that tied things up. Prewit kicked loose again in the fourth quarter and saluted the game away with a 47-yard play.

THE HAMLIN HERALD, HAMLIN, JONES COUNTY, TEXAS

Ted Wright Returns From Navy Unit Tour

Ted K. Wright, electronics technician third class in the U. S. Navy, son of Mr. and Mrs. Jack Wright of Star Route, Hamlin, was scheduled to return September 1 aboard the destroyer USS *Agerholm* to San Diego, California, according to a release to The Herald from the Navy base.

The *Agerholm* returns to the United States after completing seven months duty with the U. S. Seventh Fleet in the Far East. During her overseas deployment, the *Agerholm* steamed about 50,000 miles. She visited ports in Japan and the Philippines in addition to Singapore, Hong Kong and Suva, Fiji Islands.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 9,444 miles of grading, structures, base and surfacing from U. S. 180 to 4.7 miles south, and from Stonewall County line to Hamlin on Highway FM 611 and FM 2481, covered by R 983-2-4 and R 1747-3-1 in Fisher and Jones Counties, will be received at the Highway Department, Austin, until 9:00 a. m., September 16, 1958, and then publicly opened and read.

This is a "Public Works" project, as defined in House Bill No. 54 of the 43rd Legislature of the State, as defined in House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House bills. No provisions herein are intended to be in conflict with the provisions of said acts.

In accordance with the provisions of said House bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the contractor shall pay not less than those wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at regular governing rates.

Plans and specifications available at the office of Nelson Shave, Resident Engineer, Hamlin, Texas, and Texas Highway Department, Austin. Usual rights reserved.

John C. Green, 81, Dies at Big Spring Following Attack

Death came Saturday morning in a Big Spring hospital to John Crawford Green, 81-year-old retired Hamlin community farmer following a heart attack. He had been in failing health for several years.

Born in Tennessee November 3, 1876, he was the son of Mr. and Mrs. W. M. Green. The family came to Texas while Green was a lad. He was married to the former Adella Wade in 1900 in Van Zandt County. They had lived in the Hamlin territory for 44 years, and had farmed until his retirement a few years ago. He was a member of the Dovie Methodist Church.

Surviving the pioneer are his widow, Mrs. Adella Green of Hamlin; four sons, Ira and Wade Green of Hamlin, Bonnie Green of Lubbock and J. C. Green of Oregon; one daughter, Mrs. James Palmer of Levelland; one sister, Mrs. J. C. Hollis of Memphis; 18 grandchildren and 14 great-grandchildren.

Funeral services for the octogenarian were conducted at the Hamlin First Methodist Church Monday afternoon. Rev. Edmund W. Robb, pastor, assisted by Rev. Alvis Cooley of Merkel, officiated. Burial was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home. Pallbearers were Claude Bessire, Benson Payne, Leonard Goodgame, O. L. Cohorn, Charlie Adams and Clarence Hyer.

Bargain Combination Sub Rate Announced By Hamlin Herald

Fall bargain rates are being announced this week by The Herald and The Abilene Reporter-News on new and renewal subscriptions. The Herald, in the face of increased costs of publication that have almost doubled during the past six or eight years, will continue to sell for \$2.50 per year in Jones and adjoining counties, and \$3 elsewhere.

In combination with The Abilene Reporter-News subscribers can save \$1 on the daily and Your Home Town Paper. Both papers will be sent by mail for \$14.45. The Reporter-News by itself is \$12.95 (\$11.95 without Sunday).

The Herald will be glad to handle all daily newspaper subscriptions in combination with The Herald at a decided saving.

Surviving the pioneer are his widow, Mrs. Adella Green of Hamlin; four sons, Ira and Wade Green of Hamlin, Bonnie Green of Lubbock and J. C. Green of Oregon; one daughter, Mrs. James Palmer of Levelland; one sister, Mrs. J. C. Hollis of Memphis; 18 grandchildren and 14 great-grandchildren.

Funeral services for the octogenarian were conducted at the Hamlin First Methodist Church Monday afternoon. Rev. Edmund W. Robb, pastor, assisted by Rev. Alvis Cooley of Merkel, officiated. Pied Pipers Will Give Good Action, Coach Tells Lions

The 1958 edition of the Hamlin High School Pied Pipers is rather light and inexperienced, but will give a good account of itself in the forthcoming grid season, declared Head Coach D. C. Andrews when he gave a summary of the outlook for his team at the Tuesday noon luncheon of Hamlin Lions Club at the oil mill guest house.

Andrews, who said the Pied Pipers were lucky to win their opening game Friday night at Eastland, admitted that his crew would face tough competition tomorrow (Friday) night at Spur.

"Our backfield is rather weak this year following the loss of several outstanding backs last year, but the boys are improving. We lack speed and size, but Gene Murff, Ken Prewitt and Bob Brandon will make good showings," declared Andrews.

Line Coach Jimmy Vaughn said that, with only three lettermen returning to the line, that department also is weak this year. However, a new double team blocking system is paying off nicely. "We should profit by some of our first game mistakes," Vaughn said.

Max Murrell was recognized as a new Lions Club member, but initiation ceremonies were postponed Tuesday.

Acting President B. V. Newberry said the Lions Club would furnish cars for taking football boys home again this year as in the past.

Special Price Quoted On Royal Portables

Back-to-school savings on Royal portable typewriters prevail now at The Herald. Take the low, slim Royalite Royalite \$74.95, now only \$69.95.

What a savings and what a chance to send your youngster back to school with a Royal. See the Royalite and other portables now at The Herald. Some are in colors, too.

French Beauty to Be Starred in Film At Drive-In Screen

Known in Europe as BB, France's "Six Kitten," Brigitte Bardot was born in Paris September 28, 1934. Her father owns a huge liquid air factory and her mother has a dressmaking firm, and she and her 18-year-old younger sister, Marie Jeanne (who has now gone into movies, too) were brought up in luxury and comfort. Typical children of a Parisian upper class family, they had a governess until the age of 15.

Discovered by a magazine photographer, Brigitte was eventually trained for pictures by Roger Vadim, to whom she was married. She has made all her pictures so far in Europe.

"Why haven't you accepted any Hollywood offer so far?" she was asked the other day. "Because I don't like to fly airplanes," was her astonishing answer.

But she is fond of sailing, and if things continue to go her way, it is not impossible that Miss Bardot will eventually make her entry into Los Angeles aboard her own private yacht.

Now as Agnes, the unwilling ecdytiast in "Mademoiselle," Brigitte reaches the peak of success—a role which no other female could perform with such a degree of charming lascivious. For there is, after all, only one BB: The film plays at the Hamlin Drive-In Theater beginning Saturday.

Methodist Church to Host Training Course

Hamlin First Methodist Church will be host on Tuesday, September 23, from 1:00 until 9:00 p. m. to a training course for the commission chairmen, pastors and board chairmen of the Stamford District, it is announced by district officials.

Pastor Edmund W. Robb and members of his congregation will arrange to feed attendants in the fellowship hall of the church at the evening meal, it is announced.

HHS Seniors Elect Red Fowler President At Business Meeting

Ex-president Bryan Shelburne called the 1957-58 senior class to order Wednesday, September 3, for the purpose of electing new officers.

Senior class president was first elected. After counting the votes Red Fowler was handed the gavel to preside as president. Then the following other officers were elected: Gene Murff, vice president; Judy Parker, secretary; Ginger Rabjohn, treasurer; Libby Johnson, reporter; Boyce Blankenship, parliamentarian.

Dora Mitchell and Harold Williams were selected for the class sponsors.

Also elected were class favorites, who are Ginger Rabjohn and Bob Martin. Pat Branscum and Louise Lakey were elected ladies-in-waiting to serve the favorites. Jo Ann Hallum, Piper nominee, will try to capture Piper Queen for her class.

Class mothers will be selected at a later date.

Writing is like religion. Every man who feels the call must work out his own salvation. —George Horace Lorimer.

Hamlin People Go to Cowzar's Rites

Several Hamlin relatives and friends last Thursday attended the funeral at Goree of Mrs. H. S. Cowzar, sister of Mrs. E. C. Feagan, who died last Wednesday morning at Odessa.

Mrs. Cowzar had been ill for several weeks. Mr. Cowzar is chief of police at Odessa, where the family has lived for about 20 years.

Surviving Mrs. Cowzar are her husband; two sons, Bob Cowzar of Dallas and Jon Cowzar of Odessa; two sisters, Mrs. Albert Gholson of Evans; and Mrs. E. C. Feagan of Hamlin; and three grandchildren.

Class mothers will be selected at a later date.

IT'S A LONG WAY DOWN.

Old Jim Snapperwaith limped into the office at 10:00 this morning. His teeth were knocked out; his arm was in a sling and his head was bandaged. Just then the boss walked in.

"Snapperwaith!" he yelled, "do you see the clock? It's now after 10:00!"

"I'm sorry, Mr. Rundlebuss," said Old Jim, "but I fell out of a window this morning."

The boss turned red. "And that," he roared, "took you two hours?"

Class mothers will be selected at a later date.

Variety of Exhibits Selected for State Fair

Exotic imports from the far corners of the world, new 1959 model automobiles, modern labor savers for the homemaker, scientific marvels of the electronic age—these samples illustrate the range covered by the thousands of exhibits for the 1958 State Fair of Texas, October 4 through 19, at Dallas.

The new Texas International Trade Fair will feature a colorful international bazaar at which imported items from many nations can be admired or purchased.

The forty-second Southwestern Automotive Exposition will display more new model cars than any auto show since World War II. Many makers will have their 1959 lines on exhibition. Outdoors, every type of mechanized farm equipment will be demonstrated in the farm machinery exhibits.

Ballpoint pen refills at Herald.

Freight Carloadings For Santa Fe Clinic

Freight carloadings for the Santa Fe Railway for the week ending August 30, 1958, were 24,784 compared with 21,975 for the same week a year ago, reflecting a decided increase. Cars received from connections total 11,788 compared with 12,432.

Total cars moved were 36,5 compared with 34,227 for the same week a year ago. Santa Fe handled a total of 34,581 cars in the preceding week this year.

WHAT'S BUSTED?

Uncle Jake threw aside the letter he was reading and uttered an exclamation of impatience.

"I wish," he said, "that people would be more explicit!"

"Why?" asked Aunt Ella. "Now what's the matter?"

"This letter from home," complained Uncle Jake, "says the grandpa fell out of the old apple tree and broke a limb."

HAMILTON, TEXAS

Now add the glamour of
Gaslite
to your entrance, patio, driveway...
wherever soft, lovely
outside lighting
is wanted

For truly gracious living — today's Gaslite offers a delightfully picturesquely and practical manner of outdoor illumination.

Gaslites offer traditional charm and versatility... use them on patios, porches, along sidewalks, steps or driveways, beside swimming pools... wherever you wish.

And, like a miracle, wonderful Gaslites repel insects, too.

For only \$2.50 a month (for 22 months), or just \$49.50 cash price you may have your romantic Gaslite.

Because of the happy acceptance of the new Gaslites, it is possible you have not been called on by one of our people. Due to this demand, we are attaching an order blank so you may have your glamourous Gaslite as soon as possible. Just fill in the order and send it to your local Lone Star Gas office. Price includes free normal installation (up to 50 feet) by Lone Star Gas Company.
